IMIKI ST2 GOLD + PINK/ORANGE

IMIKI FRAME LITE ST2 Smartwatch User Manual

Model: ST2 GOLD + PINK/ORANGE

INTRODUCTION

The IMIKI FRAME LITE ST2 Smartwatch is designed to be a stylish and functional accessory for your daily life. Featuring a 1.96-inch IPS display, Bluetooth connectivity, and various smart health monitoring functions, this device offers a blend of technology and modern design. This manual provides detailed instructions on how to set up, operate, and maintain your smartwatch to ensure optimal performance and longevity.

SAFETY INFORMATION

- Do not attempt to disassemble or modify the device. This may cause damage and void the warranty.
- Keep the device away from extreme temperatures, direct sunlight, and high humidity.
- Avoid exposing the device to strong impacts or drops.
- Use only the provided charging cable and a compatible power adapter.
- Consult a medical professional before starting any new exercise regimen or if you have pre-existing health conditions, as the health monitoring features are for reference only and not for medical diagnosis.
- Keep out of reach of children.

PACKAGE CONTENTS

Please check the package contents upon unboxing. If any items are missing or damaged, please contact customer support.

- IMIKI FRAME LITE ST2 Smartwatch (Gold Case + Pink Orange Strap)
- Magnetic Charging Cable

PRODUCT OVERVIEW

Familiarize yourself with the components of your IMIKI FRAME LITE ST2 Smartwatch.

Figure 1: Front view of the IMIKI FRAME LITE ST2 Smartwatch, displaying its vibrant screen with various health and time indicators.

Figure 2: Side view of the smartwatch, highlighting the rotatable crown button and the charging contacts on the rear.

- **Display:** 1.96-inch IPS touchscreen for interactive control and information display.
- **Crown Button:** Used for power on/off, returning to the home screen, and navigating menus.
- **Sensors:** Located on the back for heart rate and blood oxygen monitoring.
- **Charging Contacts:** Magnetic points on the back for connecting the charging cable.
- **Strap:** Gold Case with Pink Orange magnetic strap for comfortable wear.

SETUP

1. Charging the Smartwatch

Before first use, fully charge your smartwatch. This typically takes about 2 hours.

1. Connect the magnetic charging cable to the charging contacts on the back of the smartwatch. Ensure the pins align correctly.
2. Plug the USB end of the charging cable into a USB power adapter (5V/1A recommended) or a computer's USB port.
3. The watch display will show a charging indicator.

2. App Installation

To unlock the full potential of your IMIKI FRAME LITE ST2, download and install the companion app on your smartphone.

- Scan the QR code provided in the quick start guide or search for "IMIKI Fit" (or similar, check product packaging) in your smartphone's app store (Google Play Store for Android, Apple App Store for iOS).
- Install the app and grant necessary permissions.

3. Pairing with Smartphone (Bluetooth)

Ensure Bluetooth is enabled on your smartphone.

1. Open the installed companion app on your smartphone.
2. Follow the on-screen instructions to create an account or log in.
3. Navigate to the "Device" or "Add Device" section within the app.
4. The app will search for available devices. Select "IMIKI FRAME LITE ST2" from the list.
5. Confirm the pairing request on both your smartphone and the smartwatch if prompted.
6. Once successfully paired, the watch will synchronize time and data with your phone.

OPERATING INSTRUCTIONS

Basic Navigation

- **Power On/Off:** Press and hold the crown button for a few seconds.
- **Wake Screen:** Raise your wrist or press the crown button.
- **Return to Home Screen:** Press the crown button once.
- **Swipe Up:** Access quick settings/control center.
- **Swipe Down:** View notifications.
- **Swipe Left/Right:** Navigate through widgets (e.g., activity, heart rate, weather).
- **Tap:** Select an item or enter a menu.

Key Features

- **Heart Rate Monitoring:** Access the heart rate widget or app on the watch. Ensure the watch is snug on your wrist for accurate readings. Data is synced to the companion app.
- **Blood Oxygen (SpO2) Measurement:** Similar to heart rate, find the SpO2 function. Remain still during measurement.
- **Activity Tracking:** The watch automatically tracks steps, distance, and calories burned. Detailed statistics are available in the app.
- **Sleep Monitoring:** Wear the watch to bed to track sleep patterns. View sleep quality and duration in the app.

- **Notifications:** Receive call, SMS, and app notifications directly on your wrist after enabling them in the companion app.
- **Bluetooth Calling:** Make and receive calls directly from the watch (if supported and enabled in app settings).
- **Sports Modes:** Select from various sports modes (e.g., walking, running, cycling) to track specific workout data.

Customization

- **Watch Faces:** Long-press the home screen to change watch faces directly on the watch, or explore more options in the companion app.
- **App Settings:** Use the companion app to customize notification preferences, alarm settings, health monitoring intervals, and more.

MAINTENANCE

- **Cleaning:** Wipe the watch and strap regularly with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and then dry thoroughly. Do not use harsh chemicals or abrasive materials.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the watch when the battery level is low. If storing for a long period, charge it to about 50% and recharge every few months.
- **Storage:** Store the watch in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** Refer to the product specifications for water resistance ratings. Avoid prolonged exposure to water or submersion unless explicitly stated as waterproof.

TROUBLESHOOTING

Problem	Solution
Watch does not turn on.	Ensure the watch is fully charged. Press and hold the crown button for at least 5 seconds.
Cannot pair with smartphone.	Ensure Bluetooth is enabled on your phone. Make sure the watch is charged and within range. Restart both the watch and your smartphone. Forget the device in your phone's Bluetooth settings and try pairing again through the app.
Inaccurate health data.	Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor area on the back of the watch. Avoid excessive movement during measurement.
Notifications not received.	Check app notification permissions on your phone. Ensure notifications are enabled within the companion app settings. Verify Bluetooth connection is stable.

Problem	Solution
Battery drains quickly.	Reduce screen brightness, disable unnecessary features like continuous heart rate monitoring, and limit frequent notifications. Ensure no background apps are excessively draining power.
