HOSTACK Full LED Bed Frame User Manual

Model: Full LED Bed Frame (Cream)

[Introduction](#) [Safety Information](#) [Setup & Assembly](#) [Operating](#)
[Instructions](#) [Maintenance](#) [Troubleshooting](#) [Specifications](#) [Warranty & Support](#)

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your HOSTACK Full LED Bed Frame. This bed frame features a storage headboard, integrated LED lighting, a built-in charging station, and four under-bed storage drawers, designed to enhance your bedroom's functionality and aesthetic.

Key Features:

- **Large Storage Capacity:** Features an open headboard and four spacious under-bed drawers for optimal storage and organization.
- **Built-in Charging Station & LED Light:** The headboard includes a charging station with USB ports and integrated LED lights, controllable via remote or app, offering customizable lighting options.
- **Sturdy & Noise-free Construction:** Constructed with durable wood slats and a metal frame, providing stability and support without the need for a box spring, designed for quiet use.
- **Easy Assembly:** All necessary parts and a detailed instruction guide are included for straightforward assembly.

2. SAFETY INFORMATION

WARNING:

- Do not load more than 800 pounds on the bed frame. Exceeding this weight limit may result in structural damage or injury.
- Exercise caution around sharp edges during assembly and use to prevent injury.
- Ensure all connections are securely fastened before use. Periodically check and tighten all bolts and screws.
- Keep small parts and packaging materials away from children to prevent choking hazards.

3. SETUP & ASSEMBLY

The HOSTACK Full LED Bed Frame is designed for straightforward assembly. Please follow the included detailed instruction guide step-by-step. Assembly typically takes approximately 40 minutes.

3.1 Package Contents:

Verify that all components listed below are present before beginning assembly:

- Headboard (with integrated LED lights and charging station)
- Bed Frame Rails
- Wood Slats
- 4 Under-bed Storage Drawers
- Assembly Hardware (bolts, screws, tools)
- Instruction Manual

FULL SIZE  Mattress 10~12"  2 Hours Assembly  Capacity 800lbs  1 Box

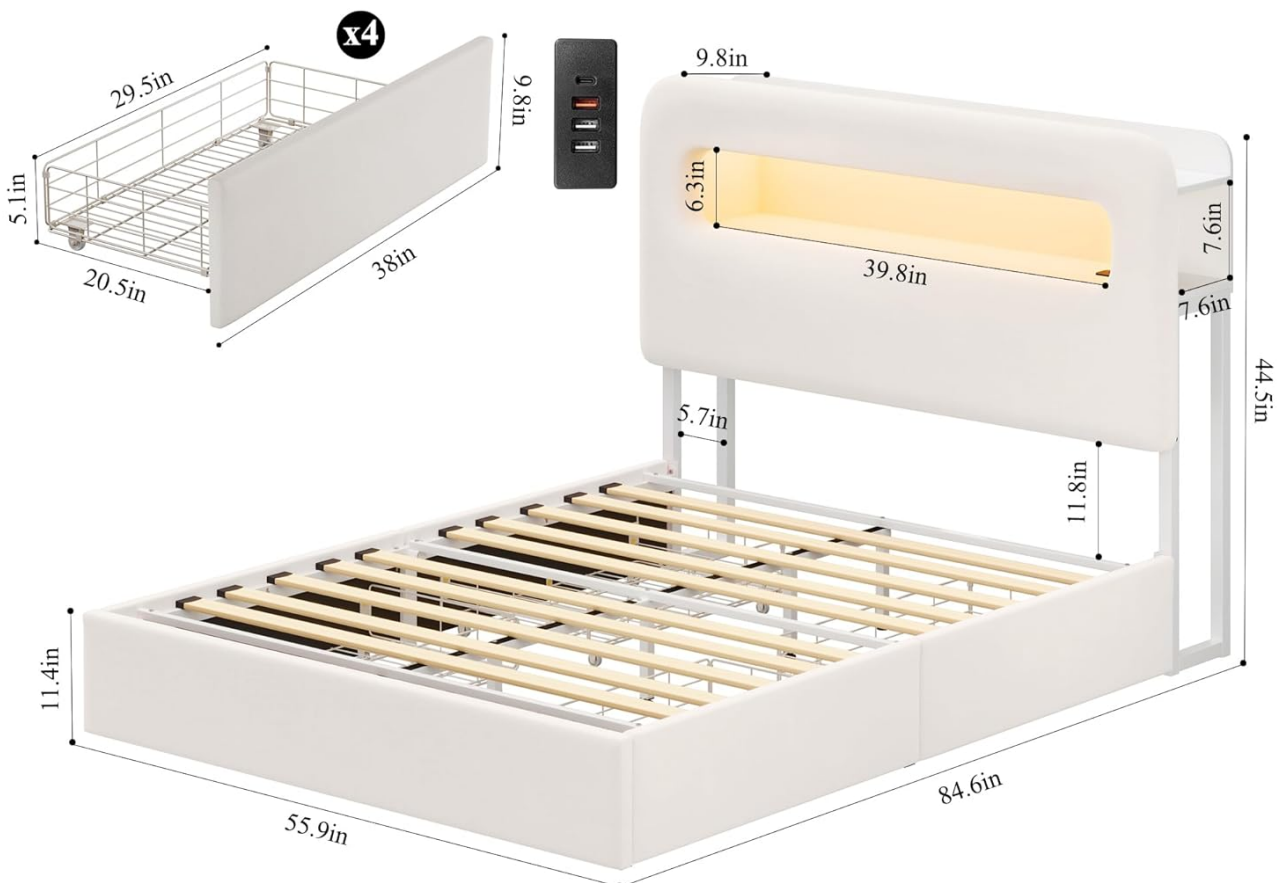

Figure 2: Overview of bed frame components and dimensions.

3.2 Assembly Steps Overview:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Assemble the headboard structure, ensuring the LED light strip and charging station are correctly positioned.
3. Attach the side rails to the headboard and footboard.
4. Install the wood slats onto the bed frame. Ensure they are securely fastened and evenly spaced for optimal mattress support.
5. Assemble the four under-bed storage drawers and insert them into their designated spaces.
6. Connect the power cord for the LED lights and charging station to a suitable power outlet.

7. Place your mattress (recommended 8-12 inches thick) on the assembled bed frame.

Figure 4: Illustration of the under-bed storage drawers and their dimensions (29.5"L x 20.5"W x 5.1"H).

4. OPERATING INSTRUCTIONS

4.1 LED Lighting System:

The integrated LED lights in the headboard can be controlled via the included remote control or a compatible mobile application. The system offers over 60,000 colors, timing modes, and music/mic modes for dynamic lighting effects.

- Use the remote control to power the lights on/off, change colors, adjust brightness, and select various lighting modes.
- For advanced control, download the specified mobile application (refer to the detailed assembly guide for app name and QR code). The app allows for more precise color selection and custom scene creation.

Storage Headboard With Charging Station

4.2 Charging Station:

The headboard features a built-in charging station with USB ports (3 USB-A ports, 1 Type-C port) to conveniently charge your electronic devices. Ensure the bed frame's power cord is plugged into a live electrical outlet for the charging station to function.

- Connect your device's charging cable to the appropriate USB-A or Type-C port.
- The charging station provides 5V/2A output for both Type-C and USB ports.

5. MAINTENANCE

To ensure the longevity and appearance of your bed frame, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the velvet upholstered surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the fabric.
- **Hardware Check:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent noise.
- **Drawer Maintenance:** Keep the drawer tracks clean and free of debris to ensure smooth operation.
- **LED Lights:** If LED lights malfunction, check the power connection. Do not attempt to repair the LED strip yourself; contact customer support.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your bed frame. For problems not listed here, please refer to the detailed assembly guide or contact customer support.

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose bolts or screws.	Check and tighten all assembly hardware. Ensure all slats are properly seated.
LED lights are not working.	Power cord not connected, remote battery low, or LED strip issue.	Ensure the power cord is securely plugged into a working outlet. Replace remote battery if applicable. If problem persists, contact customer support.
Charging station is not providing power.	Bed frame not plugged in, or device cable issue.	Verify the bed frame's power cord is plugged into a live outlet. Test with a different device or cable.
Drawers are difficult to open/close.	Obstruction in the tracks or misaligned.	Check for any items blocking the drawer tracks. Ensure drawers are correctly aligned and inserted.
