HOSTACK Full LED Bed Frame with Storage Headboard and Charging Station (Pink)

HOSTACK Full LED Bed Frame User Manual

Model: Full LED Bed Frame with Storage Headboard and Charging Station (Pink)

Brand: HOSTACK

PRODUCT OVERVIEW

The HOSTACK Full LED Bed Frame is designed to provide both comfort and functionality, featuring a storage headboard, integrated charging station, and LED lighting. This platform bed frame includes four under-bed drawers for ample storage and is upholstered in soft velvet. It is engineered for stability and support without the need for a box spring.

SETUP AND ASSEMBLY

This bed frame is designed for straightforward assembly, typically taking approximately 40 minutes. All necessary parts and a detailed instruction guide are included in one package.

Assembly Steps Overview:

1. Unpack all components and verify against the parts list in the included instruction manual.
2. Assemble the headboard, ensuring the LED light strip and charging station are correctly positioned.
3. Connect the side rails to the headboard and footboard.
4. Install the wooden slats onto the frame, ensuring they are securely fastened for optimal mattress support.
5. Assemble the four under-bed drawers and slide them into place.

LED Lighting System:

The bed frame features integrated LED lights within the headboard's storage compartment. These lights can be controlled to customize the color and ambiance of your room.

- **Remote Control:** Use the provided remote control to turn the lights on/off, change colors, adjust brightness, and select various lighting modes (e.g., static, flashing, fading).
- **App Control:** For advanced customization, download the associated mobile application (refer to the QR code on the LED light strip's power cord for the app). The app allows for a wider range of color options, timing modes, music synchronization, and microphone mode.

Charging Station:

The headboard includes a built-in charging station with USB and Type-C ports for convenient charging of your electronic devices.

- Locate the charging station within the headboard's side compartment.
- Plug your device's charging cable into the appropriate USB or Type-C port.
- Ensure the bed frame is connected to a power source for the charging station to function.

Storage Headboard With Charging Station

Under-Bed Storage Drawers:

The bed frame is equipped with four smooth-pull under-bed drawers on wheels, offering ample storage space for bedding, clothes, or other items.

- To access, simply pull the drawer outwards from under the bed.
- To secure, push the drawer fully inwards until the buckle design effectively secures it in place, preventing accidental movement.

MAINTENANCE

Regular maintenance will help prolong the life and appearance of your bed frame.

- **Cleaning:** Wipe the upholstered surfaces with a damp cloth to remove dust and light stains. Avoid harsh chemicals or abrasive cleaners.
- **Structural Check:** Periodically check all bolts and screws to ensure they are tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Drawer Care:** Keep the drawer wheels free of debris to ensure smooth operation.
- **Electrical Components:** Ensure all electrical cables for the LED lights and charging station are securely connected and not pinched or damaged.

TROUBLESHOOTING

If you encounter any issues with your HOSTACK bed frame, refer to the following common troubleshooting tips:

- **Squeaking Noises:**

- Check all assembly bolts and screws. Tighten any loose connections.
- Ensure the wooden slats are properly seated and not rubbing against the frame. The noise-free muter bar should help prevent this.

• **LED Lights Not Working:**

- Verify the power adapter is securely plugged into a working electrical outlet and into the bed frame's power input.
- Check the connection of the LED strip to the controller.
- Ensure the remote control has working batteries and is pointed directly at the receiver.

• **Charging Station Not Functioning:**

- Confirm the bed frame is powered on and connected to an electrical outlet.
- Try a different USB or Type-C cable to rule out cable issues.
- Test with a different device to ensure the issue is not with the device itself.

• **Drawers Not Sliding Smoothly:**

- Check for any obstructions under the bed or in the drawer's path.
- Ensure the drawer wheels are clean and free of debris.
- Verify the drawers are assembled correctly and not warped.

If the issue persists after attempting these steps, please contact HOSTACK customer support.

SPECIFICATIONS

Feature	Detail
Size	Full
Product Dimensions	83.4"L x 56.3"W x 47.2"H
Special Features	Storage Headboard, 2 Drawers, Charging Station, LED Lights
Color	Pink
Finish Type	Velvet
Included Components	Headboard, Drawers, Rails, Wood Slats
Compatible Mattress Size	Full (Recommended 8"-12" thickness)
