

Turnwin IDW25

Turnwin Smart Watch Bands User Manual

Model: IDW25 Series Compatible Bands

1. INTRODUCTION

Thank you for choosing Turnwin Smart Watch Bands. These bands are designed to provide a comfortable, durable, and stylish replacement for your compatible smartwatch. Made from high-quality silicone, they are suitable for various activities and daily wear.

2. COMPATIBILITY

These bands are compatible with smartwatches that use 22mm width watch lugs. Specifically, they are intended for:

- SENBONO IDW25
- VRPEFIT IDW25
- Konitee IDW25
- SAIKATI IDW25
- Motivaris IDW25
- Other smartwatches with 22mm watch lugs.

Please verify your smartwatch model and lug width before installation to ensure proper fit.

3. FEATURES

- **Material:** High-quality, soft environmental silicone.
- **Comfort:** Smooth and soft texture for a zero-weight feeling. Non-irritating to the skin.
- **Durability:** Lightweight, breathable, waterproof, and sweatproof.
- **Adjustable Size:** Fits wrists measuring 5.5-8.7 inches.
- **Secure Fastening:** Equipped with a metal buckle and fastener loop for a snug fit.
- **Easy Installation:** Designed for direct installation and one-button removal.

4. SETUP AND INSTALLATION

Follow these steps to install your new Turnwin Smart Watch Band:

1. Locate the quick-release pins on your existing watch band or the new band.
2. Slide the quick-release pin inward to detach the old band from the watch lug.
3. Align one end of the new band with the watch lug. Insert one side of the quick-release pin into the lug hole.
4. While holding that side in place, slide the other end of the quick-release pin inward and guide it into the opposite lug hole.
5. Release the pin and gently tug the band to ensure it is securely attached.
6. Repeat the process for the other half of the watch band.

5. OPERATING (USAGE)

Once installed, adjust the band to a comfortable fit on your wrist using the metal buckle and fastener loop. Ensure the watch is snug enough for accurate sensor readings but not overly tight to restrict circulation.

6. MAINTENANCE

To ensure the longevity and hygiene of your Turnwin Smart Watch Bands, follow these maintenance guidelines:

- **Cleaning:** Wash the bands regularly with mild soap and water. Rinse thoroughly and dry with a soft cloth.
- **Drying:** Allow the bands to air dry completely before reattaching to your smartwatch or wearing.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or strong detergents, as these can damage the silicone material.
- **Storage:** Store bands in a cool, dry place away from direct sunlight when not in use.

7. TROUBLESHOOTING

If you encounter any issues with your Turnwin Smart Watch Bands, consider the following:

- **Band not fitting:** Ensure your smartwatch has 22mm width lugs. Double-check the installation steps to confirm the quick-release pins are fully engaged.
- **Skin irritation:** Clean the band thoroughly. If irritation persists, discontinue use and consult a healthcare professional. Ensure the band is not worn too tightly.
- **Band damage:** Inspect the band for any cuts or tears. While durable, extreme conditions or sharp objects can cause damage.

8. SPECIFICATIONS
