DWVO Queen Bed Frame Instruction Manual

Model: MADWVTuk2J

Brand: DWVO

PRODUCT OVERVIEW

This DWVO Queen Bed Frame is designed with a multi-functional bookcase headboard, integrated RGB LED lighting, and a built-in charging station. It also includes four under-bed storage drawers for efficient space utilization. The frame is constructed to support a queen-size mattress without the need for a box spring and is engineered for noise-free operation.

Image: Overall dimensions of the DWVO Queen Bed Frame, indicating a total length of 89.7 inches, width of 61.4 inches, and headboard height of 51 inches. The image also shows the recommended mattress thickness of 8-14 inches, a weight capacity of 1000 lbs, and notes that assembly takes approximately 60 minutes. Two boxes, labeled 'BOX A' and 'BOX B', are shown, with a tip that the product comes in two boxes that may not arrive on the same day.

SAFETY INFORMATION

Always follow the assembly instructions carefully to prevent instability or collapse. Secure the storage drawers with the provided bolts to prevent them from rolling out. Be cautious when moving the assembled bed frame due to its significant weight.

SETUP AND ASSEMBLY

Assembly of the DWVO Queen Bed Frame typically requires two people and can be completed in approximately one hour. Detailed installation manuals and assembly serial numbers for each component are provided to facilitate the process. Ensure all components are present before beginning assembly. The product is shipped in two separate boxes, which may arrive on different days.

MAINTENANCE

- **Cleaning:** Wipe the bed frame surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent noise.
- **LED Lights:** Ensure the LED light strips are free from dust. If lights malfunction, check connections before contacting support.
- **Charging Station:** Keep the charging ports clean and free of debris. Avoid spilling liquids near the charging station.
- **Storage Drawers:** Regularly inspect drawer wheels for smooth operation. If a wheel detaches, reattach it securely.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is noisy or unstable.	Loose fasteners; incorrect assembly.	Check and tighten all bolts and screws. Review assembly instructions to ensure all parts are correctly installed.
LED lights are not working.	Power connection issue; remote control battery low; app connectivity problem.	Ensure the power adapter is securely plugged in. Check remote control battery. Verify app is correctly paired and updated.
Charging station not providing power.	Power connection issue; device compatibility.	Confirm the bed frame's main power cord is plugged into a working outlet. Test with different devices and cables.
Storage drawer rollers detach.	Excessive force; improper installation.	Reattach rollers securely. Avoid overloading drawers. Ensure drawers are bolted to the frame if desired.
Missing or damaged parts upon delivery.	Shipping error or damage.	Contact DWVO customer support immediately with your purchase details and a list of missing/damaged components.
