ASSEMBLY INSTRUCTIONS

The HOSTACK Pantry Cabinet is designed for easy assembly and comes with labeled parts and detailed instructions. While assembly is straightforward, it may require several hours and is often easier with two people. A screwdriver is required for certain steps.

- 1. Unpack and Verify:** Carefully unpack all components and compare them against the parts list provided in your package. Ensure all pieces are present and undamaged.
- 2. Prepare Your Workspace:** Clear a spacious area for assembly. Lay out the parts in an organized manner to facilitate the process.
- 3. Follow Step-by-Step Instructions:** Refer to the included assembly manual for graphical, step-by-step instructions. Pay close attention to the orientation of each piece.
- 4. Secure Connections:** Ensure all screws, cam locks, and dowels are securely fastened. Do not overtighten.
- 5. Door Installation:** When installing the doors, ensure they are properly aligned for smooth opening and closing. If a door does not connect correctly to its magnet, gently adjust the metal plate on the door or the magnet on the cabinet frame until a secure connection is achieved.
- 6. Final Placement:** Once assembled, position the cabinet in its desired location, ensuring sufficient clearance on both sides for the doors to open fully.

OPERATING INSTRUCTIONS

This pantry cabinet is designed for efficient storage and organization.

- **Upper Cabinets:** Utilize the upper cabinets with frosted glass doors for storing baking ingredients, dry goods, or frequently used kitchenware. The adjustable shelves allow you to customize the height for various container sizes.
- **Microwave Stand:** The open central countertop is specifically designed to accommodate a standard-sized microwave or other small kitchen appliances like a coffee maker or toaster.
- **Lower Cabinets:** The lower cabinets provide ample space for larger items, canned goods, or bulkier foodstuff.
- **Side Racks:** The interior side racks on the doors are ideal for organizing spices, small bottles, or other condiments, keeping them easily accessible.

MAINTENANCE

To ensure the longevity and appearance of your HOSTACK Pantry Cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood.
- **Avoid Excessive Moisture:** Do not place hot items directly on the surface without protection. Avoid prolonged exposure to moisture.
- **Hardware Check:** Periodically check and tighten all hardware to ensure stability.

TROUBLESHOOTING

If you encounter any issues with your pantry cabinet, refer to the following common solutions:

- **Doors Not Closing Properly:** Check for obstructions. Ensure the cabinet is on a level surface. Adjust the hinges or the magnetic catch if necessary. Sometimes, gently pushing the metal plate on the door or the magnet on the cabinet frame can improve connection.

- **Wobbly Cabinet:** Ensure all assembly screws are tightened. Verify that the cabinet is placed on a flat, stable surface. If needed, use shims under the base to level it.
- **Chemical Odor:** New furniture may have a slight odor. Ensure adequate ventilation in the room for several days after assembly to allow the odor to dissipate.

SAFETY INFORMATION

For safe use, properly secure the cabinet to the wall using the provided anti-tipping device. This is especially important if children or pets are present in the household, as it prevents accidental tipping and potential injury.

WARRANTY AND SUPPORT

For warranty information, replacement parts, or further assistance, please contact HOSTACK customer support through the retailer where the product was purchased. Please have your model number (68C65B6BB) and purchase date available when contacting support.
