

HOSTACK B0DH2N18ZF

HOSTACK Buffet Cabinet with Storage

Model: B0DH2N18ZF - Ash Grey

INTRODUCTION

Thank you for choosing the HOSTACK Buffet Cabinet with Storage. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

This versatile cabinet is designed to enhance storage and organization in various rooms, including the kitchen, dining room, or living room. It features a wide tabletop, a large drawer, a bottom cabinet, and a side door with three racks.

SAFETY INFORMATION

- **Weight Limit:** Do not exceed the maximum weight capacity of 200 pounds for the top surface. Ensure items are distributed evenly.
- **Assembly:** Assemble the unit on a soft, clean surface to prevent scratches. Ensure all parts are securely fastened before use.
- **Stability:** For added stability and safety, especially in homes with children or pets, consider anchoring the cabinet to a wall using appropriate hardware (not included unless specified).
- **Chemical Odor:** Some new furniture may have a temporary chemical odor. Ensure adequate ventilation during and after assembly.
- **Door Clearance:** If the left door is opened 90°, the cabinet needs to be 6 inches away from the wall to access items normally. If the left door is opened 180°, the cabinet needs to be 12 inches away from the wall.

PACKAGE CONTENTS

Before assembly, verify that all components and hardware are present. Refer to the included parts list and hardware pack. If any parts are missing or damaged, please contact customer support.

ASSEMBLY INSTRUCTIONS

The HOSTACK Buffet Cabinet is designed for easy assembly with step-by-step instructions and labeled parts. An average assembly time is approximately 2-3 hours for one person, or less with assistance.

1. Unpack all components and lay them out on a clean, soft surface to prevent damage.
2. Identify each part using the provided labels and the assembly diagram.
3. Follow the included graphical instructions carefully, step by step.
4. **Important Note for Drawer Assembly (Refer to Step 16 in your manual):** A user has noted that the diagram for step 16 regarding the drawer front orientation can be misleading. Ensure the 'taller' part of the drawer front is facing the correct direction as intended for proper function, even if it appears opposite to the drawing.
5. Use the provided hardware and tools. An impact driver can speed up the process for screws, but use caution to avoid stripping holes.
6. Ensure all connections are tight and secure before moving or loading the cabinet.

OPERATING INSTRUCTIONS

This buffet cabinet offers versatile storage options:

- **Tabletop:** The wide tabletop is suitable for placing coffee machines, cookbooks, decorative items, or serving dishes.
- **Large Drawer:** A spacious drawer provides convenient storage for small dishes, utensils, or other kitchen essentials.
- **Bottom Cabinet:** The main cabinet area features adjustable shelves, allowing you to customize the storage space for various items like plates, bowls, or small appliances.
- **Side Door Racks:** The side door opens to reveal three integrated racks, ideal for organizing drinks, snacks, seasoning bottles, or other narrow items.

MAINTENANCE AND CARE

- **Cleaning:** The smooth painted surface makes cleaning easy. Wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check and tighten all hardware to ensure the cabinet remains sturdy and stable.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the finish.

TROUBLESHOOTING

Common Issues and Solutions:

- **Chemical Odor:** If a strong chemical smell is present upon unpacking, allow the cabinet to air out in a well-ventilated area for several days.

- **Assembly Difficulty:** If you encounter difficulty with assembly, particularly with drawer components, re-examine the diagrams carefully. One user noted a potential discrepancy in the diagram for step 16 regarding drawer front orientation; ensure the 'taller' part of the drawer front is positioned correctly for proper function.
- **Wobbly Cabinet:** Ensure all screws and fasteners are tightened. If the issue persists, check that the cabinet is on a level surface. Consider using furniture levelers if your floor is uneven.

SPECIFICATIONS

Feature	Detail
Brand	HOSTACK
Model	B0DH2N18ZF
Color	Ash Grey
Material	Engineered Wood
Product Dimensions	15.7"D x 41.3"W x 32.6"H
