LEGO Snake (40707) User Manual

Model: 40707 | Brand: LEGO

1. INTRODUCTION

This manual provides essential information for the assembly, care, and display of your LEGO Snake (40707) building set. Designed for ages 8 and up, this set allows you to construct a vibrant brick-built snake, symbolizing good wishes and luck for the Lunar New Year. Once assembled, the model serves as a charming decorative piece.

2. SAFETY INFORMATION

No specific safety warnings are applicable beyond general toy safety guidelines. This product contains small parts and is not suitable for children under 3 years due to choking hazards. Always supervise young children during play.

3. COMPONENTS AND PARTS

The LEGO Snake (40707) set contains 174 pieces. Key components include:

- Various green and light green LEGO bricks for the snake's body.
- Specialized eye elements for the snake's head.
- Base elements for the forest scenery display stand.
- Orange element for the snake's tongue.
- Real red envelopes, symbolizing good luck.

Please verify all pieces are present before beginning assembly. A complete parts list is typically found in the instruction booklet included in the box.

4. ASSEMBLY INSTRUCTIONS

The LEGO Snake (40707) set is designed for straightforward assembly following the detailed step-by-step

instructions provided in the physical instruction booklet included with your product. Please refer to this booklet for precise building steps.

General Assembly Steps:

1. Unpack all LEGO bricks and sort them by color or type for easier access.
2. Begin by constructing the base of the display stand as indicated in the instructions.
3. Proceed to build the snake's body section by section, paying attention to the color and placement of each brick.
4. Attach the head and tail sections, ensuring all specialized elements like the eyes and tongue are correctly placed.
5. Integrate the completed snake model onto its display base.

6. MAINTENANCE

To ensure the longevity and appearance of your LEGO Snake model, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft brush or a can of compressed air. For deeper cleaning, gently wash individual bricks with mild soap and lukewarm water (not hot water), then rinse thoroughly and air dry. Do not use abrasive cleaners or harsh chemicals.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container away from direct sunlight and extreme temperatures to prevent discoloration or warping.
- **Handling:** Handle the model carefully to avoid accidental disassembly, especially when moving it.

7. TROUBLESHOOTING

Missing Pieces: If you find any pieces missing from your new set, please contact LEGO Customer Service directly. They have a dedicated service for replacing missing or broken elements.

Assembly Difficulties: Double-check the instruction booklet for the specific step you are on. Ensure all pieces are correctly oriented and firmly pressed together. LEGO bricks are designed to fit snugly.
