XIAOMI BHR8959GL

XIAOMI Flexible Rechargeable Lamp User Manual

MODEL: BHR8959GL

1. Introduction

Thank you for choosing the XIAOMI Flexible Rechargeable Lamp. This manual provides essential information for the safe and efficient use of your new lamp. Please read it thoroughly before operation and retain it for future reference.

Figure 1: XIAOMI Flexible Rechargeable Lamp

2. Safety Information

- Do not disassemble, repair, or modify the lamp yourself.

- Keep the lamp away from water, moisture, and high temperatures.

- Use only the provided charging cable or a certified USB-C cable for charging.

- Avoid direct eye exposure to the light source for extended periods.

- Dispose of the product and its battery responsibly according to local regulations.

3. Package Contents

Verify that all items are present in the package:

- XIAOMI Flexible Rechargeable Lamp Unit

- Lamp Base

- Clamp Attachment

- USB-C Charging Cable

- User Manual (this document)

4. Product Overview

The XIAOMI Flexible Rechargeable Lamp is designed for versatile illumination, functioning as a desk lamp, clip-on lamp, or handheld light source. It features a magnetic attachment for easy angle adjustment and multiple lighting modes.

5. Setup

1. **Initial Charge:** Before first use, fully charge the lamp using the provided USB-C cable. Connect the cable to the lamp's Type-C port and a compatible USB power adapter (not included). The battery status indicator will show charging progress.

2. **Assembly (Desk Lamp):** Place the lamp unit onto the circular lamp base. The magnetic connection will secure it.

3. **Assembly (Clip-on Lamp):** Attach the clamp accessory to a suitable surface (e.g., desk edge, shelf). Then, magnetically attach the lamp unit to the designated area on the clamp.

6. Operating Instructions

6.1 Power On/Off and Mode Selection

- **Short Press:** Briefly press the power button to turn the lamp ON or OFF.

- **Long Press:** Press and hold the power button to cycle through the four available lighting modes.

6.2 Angle Adjustment

The lamp head is attached magnetically, allowing for flexible positioning:

- **Vertical Rotation:** Adjust the lamp head up or down by up to 180 degrees.
- **Horizontal Rotation:** Rotate the lamp head horizontally by up to 360 degrees.

360°水平回転*

Figure 5: Magnetic Angle Adjustment

6.3 Charging

Connect the lamp to a power source using the USB-C cable. The lamp maintains consistent brightness even while charging. A full charge provides over 40 hours of illumination at the lowest brightness setting.

7. Maintenance

- **Cleaning:** Wipe the lamp with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the lamp in a cool, dry place when not in use for extended periods.
- **Battery Care:** To prolong battery life, avoid fully discharging the lamp frequently. Charge it regularly, even if not in constant use.

8. Troubleshooting

Problem	Possible Cause	Solution
Lamp does not turn on	Low battery; Power button not pressed correctly	Charge the lamp; Ensure a firm short press on the power button.
Lamp not charging	Faulty cable or adapter; Loose connection	Check USB-C cable and adapter; Ensure connections are secure; Try a different cable/adapter.

Problem	Possible Cause	Solution
Light is dim or flickers	Low battery	Charge the lamp fully.
Magnetic attachment feels loose	Lamp not properly seated on base/clamp	Re-seat the lamp unit firmly onto the magnetic base or clamp.

9. Specifications
