What's Included:

- 1 x Dreo 42" PTC Space Heater
- 1 x Remote Control

- 1 x User Guide

3. Setup

Assembly is required for this appliance. Please follow these steps to set up your Dreo Tower Fan and Heater Combo:

1. Carefully remove all packaging materials and ensure all components are present.
2. Attach the base to the main body of the tower fan/heater. Ensure it is securely fastened according to the instructions in the included User Guide.
3. Place the appliance on a firm, level surface.
4. Plug the power cord into a standard 120V electrical outlet.

4. Operating Instructions

The Dreo Tower Fan and Heater Combo offers versatile control and multiple modes for optimal comfort.

Key Features:

- **Auto-Shift Technology:** Seamlessly transitions between heating and cooling modes.
- **Heating:** 5 levels of 1500W PTC heating, providing instant heat in 2 seconds. Temperature can be set from 41-95°F with ±1.5°F precision using ECO mode.
- **Cooling:** 12 fan speeds delivering 1585 CFM of air volume up to 40 ft away.
- **Oscillation:** Ultra-wide 120° oscillation for broad air distribution.
- **Quiet Operation:** Operates as quietly as 25dB, ideal for bedrooms and offices.
- **Timer:** 12-hour timer for automated operation.
- **Control:** Easily controlled via the top control panel or the included remote control.

5. Maintenance

Regular maintenance ensures optimal performance and longevity of your appliance.

- **Cleaning:** The appliance is designed for effortless clean-up. Refer to the detailed cleaning instructions in the User Guide for proper maintenance of filters and external surfaces.
- Always unplug the appliance before cleaning.
- Do not immerse the appliance in water or other liquids.

6. Troubleshooting

If you encounter any issues with your Dreo Tower Fan and Heater Combo, please refer to the following common troubleshooting tips:

- **Appliance not turning on:** Ensure the power cord is securely plugged into a working electrical outlet. Check if the power button is pressed.
- **No heat/fan:** Verify that the correct mode (heat or fan) is selected. Adjust temperature settings or fan speeds as needed.
- **Unusual noise:** Check for any obstructions in the air intake or output vents. Ensure the appliance is on a stable, level surface.
- **Automatic shut-off:** The appliance may have activated its overheat or tip-over protection. Unplug the unit, allow it to cool down, and ensure it is placed upright on a stable surface before restarting.

For more detailed troubleshooting steps, please consult the comprehensive User Guide provided with your product.

7. Specifications

Feature	Specification
Brand	Dreo
Model Number	DR-HSH016
Color	Silver
Form Factor	Tower
Indoor/Outdoor Usage	Indoor
Product Dimensions	12.91"D x 12.91"W x 42.46"H
Item Weight	13.5 Pounds
Fuel Type	Electric
Number of Speeds	12

Feature	Specification
Voltage	120 Volts
Max Temperature Setting	95 Degrees Fahrenheit
UPC	810142851411
Assembly Required	Yes
Batteries Required	Yes
Included Components	1 x Remote Control, 1 x Dreo 42" PTC Space Heater, 1 x User Guide

8. Warranty and Support

Dreo is committed to providing high-quality products and excellent customer service.

- **Customer Support:** Our product experts are available to guide you through any issues or questions you might have with the product. Please refer to the contact information in your User Guide for the customer support line.
- **Protection Plans:** Extended protection plans are available for purchase to provide additional coverage for your appliance. Options include 3-Year and 4-Year Protection Plans, as well as a Complete Protect plan.
