SETUP GUIDE

1. Unboxing and Inspection

Carefully remove the Digital Calendar+ 2 from its packaging. Inspect all components for any signs of damage. The package should include the calendar unit, mounting bracket, power adapter, screwdriver, and a mini leveler.

2. Wall Mounting

The Digital Calendar+ 2 is designed for wall mounting. Choose a suitable location with a stable wall surface and access to a power outlet. The device supports both portrait and landscape orientations.

1. Using the included mini leveler, mark the desired position for the mounting bracket on the wall.
2. Securely attach the mounting bracket to the wall using appropriate screws and anchors (not included,

depending on wall type). Ensure the bracket is firmly fixed before proceeding.

3. Carefully align the Digital Calendar+ 2 with the mounted bracket and slide it into place until it locks securely.

3. Initial Power On and Configuration

1. Connect the power adapter to the device and plug it into a wall outlet. The device will automatically power on.
2. Follow the on-screen prompts to complete the initial setup, similar to setting up a new Android smartphone. This includes selecting your language, connecting to a Wi-Fi network, and logging into your Google account.
3. Once setup is complete, the main dashboard will appear.

OPERATING INSTRUCTIONS

1. Navigating the Interface

The Digital Calendar+ 2 features a responsive touch screen. Swipe left or right to access different screens or the app drawer. Tap on icons to open applications or widgets.

7. Smart Auto-Rotation

The device automatically detects its orientation and switches between portrait and landscape modes, optimizing the display for your content and preference.

MAINTENANCE

1. Cleaning the Screen

To clean the touch screen, use a soft, lint-free cloth. For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaning solution. Avoid abrasive materials or harsh chemicals.

2. Software Updates

Ensure your device is connected to Wi-Fi to receive automatic software updates. These updates provide new features, performance improvements, and security enhancements. You can manually check for updates in the device settings.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not power on.	Power cable not connected or power outlet issue.	Ensure power cable is securely connected to the device and a working power outlet. Try a different outlet.
Touch screen is unresponsive.	Temporary software glitch or screen obstruction.	Restart the device. Ensure the screen is clean and free of debris.
Cannot connect to Wi-Fi.	Incorrect password, out of range, or router issue.	Verify Wi-Fi password. Move device closer to router. Restart router.
Calendar not syncing.	Incorrect account settings or network issue.	Check account login details and synchronization settings in the Cozyla Calendar App. Ensure stable internet connection.

If you encounter issues not listed here or require further assistance, please contact Cozyla Mate customer service.
