1. Introduction

Thank you for choosing the BORDEAG 4-Piece Waterproof Adult Bibs. This manual provides essential information for the proper use, care, and maintenance of your new clothing protectors. These bibs are designed to provide effective protection against spills and stains during meals for adults, including the elderly, patients, and individuals with disabilities.

Image 1.1: Four BORDEAG adult bibs in various plaid patterns, showcasing the different designs included in the package.

2. Product Features

- **High Quality Construction:** Each bib is crafted from high-quality polyester with an inner waterproof EVA layer, ensuring durability and effective protection. The material is soft and designed to be skin-friendly.
- **Effective Clothing Protection:** The waterproof layer prevents liquids and food particles from reaching clothing, protecting against stains and spills.
- **Integrated Crumb Catcher:** A specially designed bottom pocket effectively collects fallen food, preventing it from dropping onto laps or the floor.
- **Adjustable and Comfortable Fit:** Features a lace-up design for easy adjustment, ensuring a secure and

comfortable fit for various neck sizes. The generous dimensions (approximately 40 x 60 cm) provide ample coverage.

- **Reusable and Easy to Store:** These bibs are washable and reusable, offering an economical and environmentally friendly alternative to disposable options. They can be easily folded or rolled for convenient storage and portability.
- **Versatile Application:** Suitable for a wide range of users, including the elderly, adults, patients, bedridden individuals, and those with disabilities, in various settings such as homes, hospitals, and nursing facilities.

3. Setup and Usage

3.1. Attaching the Bib

1. Unfold the adult bib completely.
2. Position the bib around the user's neck with the patterned side facing outwards and the crumb catcher pocket at the bottom.
3. Use the attached lace-up ties to secure the bib comfortably around the neck. Adjust the ties to ensure a snug but not restrictive fit.

Image 3.1: Close-up of an adult bib showing the adjustable ties at the neck and the integrated crumb catcher pocket at the bottom.

3.2. During Use

- Ensure the crumb catcher pocket is unfolded and positioned to effectively collect any dropped food or liquids.
- The waterproof lining provides a barrier against spills, keeping clothing clean and dry.

Image 3.2: An illustration of the widened crumb catcher pocket effectively collecting food particles, preventing them from falling onto clothing or the floor.

Image 3.3: An elderly man wearing a BORDEAG adult bib while eating at a table, demonstrating its practical use during meals.

4. Care and Maintenance

4.1. Cleaning Instructions

The BORDEAG Adult Bibs are designed for easy cleaning and reuse.

- **Machine Wash:** The bibs can be machine washed. Use a gentle cycle with cold or warm water.
- **Drying:** Air dry or tumble dry on a low heat setting. Avoid high heat to preserve the integrity of the waterproof layer.
- **Do Not Bleach:** Avoid using bleach or harsh detergents, as these can damage the fabric and waterproof coating.
- **Do Not Iron:** Ironing is not recommended due to the EVA waterproof layer.

Image 4.1: Close-up image showing the double-layer waterproof structure of the bib, with a hand touching the fabric and a diagram indicating the waterproof layer's function.

4.2. Storage

For convenient storage and portability, the bibs can be easily folded or rolled up when not in use. This compact design allows them to fit into bags for travel or daily outings.

6. Troubleshooting

This section addresses common inquiries regarding the BORDEAG Adult Bibs.

- **Bib not catching food effectively:** Ensure the crumb catcher pocket is fully extended and positioned correctly before use.
- **Bib feels uncomfortable:** Adjust the lace-up ties at the neck to achieve a comfortable fit. The ties should be snug but not too tight.
- **Stains not coming out after washing:** For stubborn stains, pre-treat the area before machine washing. Avoid using bleach.
- **Waterproof layer appears damaged:** Ensure care instructions (machine wash, no high heat drying, no ironing) are followed to maintain the integrity of the EVA waterproof layer.

For issues not covered here, please refer to theSupport section for contact information.
