AIYAPLAY 331-044V000G

AIYAPLAY 3-in-1 Foldable Kids Slide Instruction Manual

Model: 331-044V000G

1. SAFETY INFORMATION

Adult supervision is required at all times. This product is designed for children aged 1 to 3 years. Ensure the slide is placed on a flat, stable surface. Do not use on elevated or uneven ground.

- Maximum weight capacity: 30 kg.
- This product complies with EN71-1-2-3-8 safety standards.
- Features rounded edges, anti-slip steps, and secure side rails for enhanced safety.
- The slide is designed with a safety buffer zone to prevent children from sliding off too quickly.

GLISSIÈRE DE SÉCURITÉ

2. PRODUCT OVERVIEW

The AIYAPLAY 3-in-1 Foldable Kids Slide offers multiple play options for young children, combining a slide, a climbing area, and a basketball hoop. Its compact, foldable design makes it suitable for both indoor and outdoor use.

Key Features:

- **3-in-1 Design:** Includes a slide, a climbing structure, and a basketball hoop for varied play.
- **Foldable:** Easily folds for convenient storage, optimizing play space.
- **Durable Material:** Constructed from high-density polyethylene (HDPE) plastic for longevity and safety.
- **Ergonomic Design:** Slide length of 106 cm and height of 34 cm are specifically adapted for children aged 1 to 3 years.

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow these general steps. Refer to the included graphical instructions for detailed guidance.

1. Unpack all components and verify against the 'What's in the Box' list.
2. Attach the climbing structure to the main slide body using the provided fasteners. Ensure all connections are secure.
3. Install the basketball hoop onto the designated attachment point.
4. Ensure the base is stable and all parts are tightly secured before allowing children to play.

5. OPERATING INSTRUCTIONS

This 3-in-1 play structure provides multiple ways for children to engage in active play:

- **Sliding:** Children can climb the steps to the top of the slide and slide down. Ensure the landing area is clear.
- **Climbing:** The integrated climbing area allows children to develop motor skills and coordination.
- **Basketball:** Use the included basketball with the hoop for shooting practice.

Always ensure children are supervised during play to prevent accidents.

6. MAINTENANCE

Regular maintenance will ensure the longevity and safety of your AIYAPLAY slide:

- **Cleaning:** Wipe down all surfaces with a damp cloth and mild soap. Rinse thoroughly and dry. Avoid abrasive cleaners.
- **Inspection:** Periodically check all screws, bolts, and connections to ensure they are tight and secure.
- **Damage:** Inspect for any cracks, breaks, or sharp edges. Discontinue use if any damage is found and contact customer support for replacement parts or advice.
- **Storage:** When not in use, especially during adverse weather conditions if used outdoors, fold the slide and store it in a dry, protected area to prolong its lifespan.

7. TROUBLESHOOTING

If you encounter any issues with your AIYAPLAY slide, please refer to the following common solutions:

- **Instability:** Ensure the slide is placed on a completely flat and level surface. Re-check all assembly connections to confirm they are tightened securely.
- **Missing Parts:** If any parts are missing upon delivery, please contact customer support immediately with your purchase details.

- **Difficulty Folding:** Ensure all locking mechanisms (if any) are disengaged and that no obstructions are preventing the folding action.

For persistent issues or concerns not addressed here, please contact AIYAPLAY customer support.
