4. SETUP AND ASSEMBLY

Assembly is designed to be straightforward. Follow the included step-by-step instructions and diagrams. An installation video is also provided by the manufacturer for visual guidance.

1. **Unpack and Organize:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided labels.
2. **Assemble the Main Frame:** Connect the side panels to the bottom panel using the designated hardware (e.g., dowels and cam locks). Ensure a snug fit.
3. **Install Shelves:** Insert the adjustable shelf pegs into the desired height holes in the middle section. Place the adjustable shelf onto the pegs.
4. **Attach Back Panel:** Secure the back panel to the assembled frame. Ensure the cable management holes are correctly oriented.
5. **Attach Top Panel:** Secure the top panel to the main frame using the appropriate hardware.
6. **Install Doors:** Attach the hinges to the cabinet doors and then to the side panels of the TV stand. Ensure the rattan inserts are facing outwards. Install the magnetic catches to ensure doors close securely.
7. **Attach Handles:** Secure the golden handles to the cabinet doors.
8. **Attach Legs:** Screw the six solid wood legs into the pre-drilled holes on the bottom of the TV stand. The two middle legs are adjustable to help balance on uneven floors.
9. **Final Check:** Double-check all connections for tightness and stability.

5. OPERATING INSTRUCTIONS

- **Placing Your TV:** The spacious desktop (54.3" x 15.7") is designed to support TVs up to 65 inches. Ensure the TV's base fits securely within the desktop area.
- **Using Storage Cabinets:** The two large cabinets with rattan doors provide concealed storage. Open and close the doors gently. The magnetic catches ensure they remain shut.
- **Adjusting Shelves:** The middle shelf is adjustable. To change its height, carefully remove the shelf, reposition the support pegs to one of the three available height options, and then place the shelf back.
- **Cable Management:** Utilize the two cord holes located on the back panel of the middle section to route and organize your electronic device cables, maintaining a tidy appearance.

6. MAINTENANCE

Proper care will extend the life and appearance of your TV stand.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which

can damage the finish.

- **Dusting:** Regularly dust with a dry, soft cloth.
- **Spills:** Clean spills immediately to prevent staining.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.

7. TROUBLESHOOTING

- **Wobbling:** If the TV stand feels wobbly, ensure all assembly hardware is securely tightened. Check the adjustable middle feet and adjust them to ensure all six legs make firm contact with the floor.
- **Doors Not Closing Properly:** Check the alignment of the hinges and the magnetic catches. Adjust as necessary to ensure the doors close flush and securely.
- **Missing Parts:** If any parts are missing upon unboxing, refer to the package contents list and contact ZttRiee customer support for assistance.
