

## Bestier 6106

# Bestier 42" L-Shaped Gaming Desk Instruction Manual

Model: 6106

Brand: Bestier

## 1. INTRODUCTION

Thank you for choosing the Bestier 42" L-Shaped Gaming Desk. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new desk. Please read this manual carefully before assembly and use, and keep it for future reference.

### Safety Information:

- Ensure all parts are present and undamaged before assembly.
- Follow assembly steps precisely to prevent structural instability.
- Do not overload the desk or shelves beyond specified weight limits.
- Keep electrical components (power outlets, LED strip) away from liquids.
- Use only the provided power adapter for the LED lights.

## 2. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are included in your package. Refer to the assembly diagram for visual identification of parts.

- Main Desk Panels (L-shaped and straight sections)
- Metal Frame Components (legs, support bars, shelf frames)
- Storage Shelves (solid and wire grid)
- Integrated Power Outlet Unit (with 2 AC outlets, 1 USB-A, 1 Type-C port)
- LED Light Strip with Controller
- Headphone Hook
- Assembly Hardware (screws, bolts, nuts, washers)
- Assembly Tools (Allen wrench, screwdriver)

#### Step-by-Step Assembly Instructions

- 1. Assemble the Monitor Shelf:** Attach the LED strip to the underside of the monitor shelf (Part 3). Secure it using the provided screws (Part D).
- 2. Construct the Main Desk Frame:** Connect the long horizontal bar (Part 14) to the two U-shaped supports (Part 15) using screws (Part B).
- 3. Attach Side Panel to Main Frame:** Secure the side panel (Part 4) to the assembled main desk frame using screws (Parts A and B).
- 4. Assemble the Storage Unit:** Connect the vertical supports (Parts 9, 10) and horizontal bars (Part 11)

- to form the storage unit frame. Insert the wire grid shelf (Part 13) at your desired height using screws (Part B).
- 5. Assemble the Left Desk Leg:** Attach the bottom bar (Part 7) to the vertical leg (Part 5) using screws (Part B).
  - 6. Connect Desk Sections:** Join the main desk frame, storage unit, and left desk leg together. Use the diagonal support bars (Part 16) for added stability. Secure all connections with screws (Parts B and F).
  - 7. Install Headphone Hook:** Attach the headphone hook (Part 17) to the side of the main desk frame using screws (Parts B and F).
  - 8. Place Desk Tops:** Carefully place the main desk top (Part 1) and the L-shaped extension top (Part 2) onto the assembled frame. Secure them with screws (Part B).
  - 9. Install Power Outlet Unit:** Insert the integrated power outlet unit (Part 18) into the designated slot on the L-shaped extension top. Secure with screws (Part E).
  - 10. Final Connections:** Connect the LED light strip cable to the power outlet unit. Ensure all screws are tightened for stability.

## 4. OPERATING INSTRUCTIONS

## Integrated Power Outlets

The desk features a built-in power outlet unit for convenient charging and power access:

- **AC Outlets:** 2 standard 120V/12A AC outlets (Rated Power: 1500W) for your computer, monitor, or other devices.
- **USB Ports:** 1 USB-A charging port (5V 2.2A) and 1 Type-C port for charging smartphones, tablets, and other USB-powered devices.

## LED Lighting System

Enhance your gaming or work environment with customizable LED lights located under the monitor shelf:

- **Colors:** Choose from 7 primary colors.
- **Modes:** Select from up to 20 dynamic lighting modes.
- **Control:** Use the attached controller to switch colors, modes, and adjust brightness.

Figure 4.1: The desk features integrated power outlets and vibrant LED lighting.

## Adjustable Storage Shelves

The dual storage shelves on the side offer flexible placement options:

- **Adjustable Grid Panel:** The middle metal grid panel can be adjusted to three different heights to accommodate various items. It can also be tilted for personalized comfort or specific storage needs.
- **Monitor Stand:** The adaptable monitor stand can be installed on the storage side, transforming it into a four-tier storage shelf for enhanced organization.

## » CHOOSE THE RIGHT ANGLE «

### Headphone Hook

A convenient hook is provided to neatly hang your headphones or bag, helping to keep your workstation tidy and organized.

Figure 4.3: The integrated headphone hook provides convenient storage.

## 5. MAINTENANCE & CARE

To ensure the longevity and appearance of your Bestier Gaming Desk, follow these simple care guidelines:

- **Cleaning:** The P2 particle board with 3D carbon fiber texture is easy to clean and scratch-resistant. Wipe surfaces regularly with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the desk surface.
- **Weight Distribution:** Distribute weight evenly across the desk surface and shelves. Avoid placing excessively heavy items on any single point.
- **Heat:** While the desk is heat-resistant, it is advisable to use coasters or protective pads under hot items to prevent potential damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Tighten Fasteners:** Periodically check and re-tighten all screws and bolts to ensure the desk remains stable and secure.

## 6. TROUBLESHOOTING

If you encounter any issues with your Bestier Gaming Desk, refer to the following common problems and solutions:

- **LED Lights Not Working:**
  - Check if the LED strip is securely plugged into the USB port on the power outlet unit.
  - Ensure the power outlet unit is receiving power and its main switch is turned ON.
  - Verify the LED controller buttons are functioning correctly.
  
- **Power Outlets Not Providing Power:**
  - Confirm the desk's main power cord is securely plugged into a working wall outlet.
  - Check the power switch on the integrated power outlet unit to ensure it is in the ON position.
  - Test the wall outlet with another device to rule out a circuit issue.
  
- **Desk Feels Unstable/Wobbly:**
  - Ensure all screws, bolts, and fasteners used during assembly are fully tightened.
  - Verify the desk is placed on a flat, level surface. Adjust the adjustable leg pads if necessary to compensate for uneven floors.
  - Check that all frame components are correctly aligned as per the assembly instructions.
  
- **Missing or Damaged Parts:**
  - If any parts are missing or damaged upon arrival, please contact Bestier customer support immediately for assistance.
