INFANS 3-in-1 Baby Bassinet and Bedside Sleeper Instruction Manual

Model: 3-in-1 Baby Bassinet (ASIN: B0DHD3GGT5)

1. INTRODUCTION

Thank you for choosing the INFANS 3-in-1 Baby Bassinet and Bedside Sleeper. This versatile product is designed to provide a safe and comfortable sleeping environment for your newborn, functioning as a freestanding bassinet, a bedside sleeper, and a cradle. Please read this manual thoroughly before assembly and use to ensure proper operation and your child's safety.

2. SAFETY INFORMATION

WARNING: SUFFOCATION HAZARD. Infants have suffocated in bassinets.

- Always ensure the bassinet is assembled correctly and all locking mechanisms are engaged before placing a child inside.
- Use only the mattress provided by the manufacturer. Do not add extra padding, pillows, or blankets under or over the mattress, as this can create a suffocation risk.
- Ensure the bassinet is placed on a firm, flat surface.
- Never leave a child unattended in the bassinet.
- Discontinue use when the infant begins to push up on hands and knees, or reaches the maximum weight of 20 lbs (9 kg), or is 6 months old, whichever comes first.
- Keep small parts away from children during assembly.

- When using as a bedside sleeper, ensure the bassinet is securely fastened to the adult bed using the provided straps and there is no gap between the bassinet and the adult mattress.
- Regularly inspect the bassinet for any damaged or missing parts. Do not use if any parts are compromised.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Bassinet frame with mesh walls
- Mattress
- Support bars (for stability)
- Wheeled legs (2 sets)
- Fastening belts (for bedside sleeper mode)
- Travel bag

4. SETUP AND ASSEMBLY

Assembly of the INFANS 3-in-1 Baby Bassinet is designed to be straightforward and tool-free. Follow these steps:

1. **Install the Feet:** Attach the wheeled leg assemblies to the main bassinet frame. Ensure they click securely into place.
2. **Insert the Fixing Bar:** Connect the horizontal fixing bar between the two leg assemblies for added stability.
3. **Attach the Support Bar:** Secure any additional support bars as indicated in the diagram to reinforce the bassinet structure.
4. **Attach Safety Straps:** If using the bedside sleeper mode, prepare the fastening belts for later attachment to the adult bed.
5. **Insert the Mattress:** Place the provided mattress firmly into the bassinet base. Ensure it lies flat and fits snugly. Secure the mattress using the internal straps to prevent shifting.

5. OPERATING INSTRUCTIONS

5.1. 3-in-1 Functionality

- **Freestanding Bassinet:** Use the bassinet independently in any room. Ensure all wheels are locked for stability.
- **Bedside Sleeper:** Position the bassinet next to your adult bed. Lower one side of the bassinet by unzipping and releasing the side panel. Securely attach the bassinet to your bed frame using the provided fastening belts. Ensure there is no gap between the bassinet and your mattress.

- **Cradle Mode:** The bassinet can be converted into a rocking cradle. Adjust the wheels to an upward position to enable the rocking motion.

5.3. Mobility and Ventilation

- **Wheels:** The four universal wheels allow for easy movement of the bassinet between rooms. Each wheel is equipped with a brake for secure positioning. Engage the brakes when the bassinet is stationary.
- **Mesh Walls:** The 4-sided mesh design ensures optimal airflow and allows for clear visibility of your baby from any angle.

6. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and hygiene of your bassinet:

- **Cleaning Fabric:** The fabric components, including the mattress cover, can be removed for cleaning. Hand wash only. Do not bleach or tumble dry.
- **Cleaning Frame:** Wipe the metal and plastic parts of the frame with a damp cloth and mild soap. Dry thoroughly.
- **Storage:** When not in use, disassemble the bassinet and store it in the provided travel bag in a cool, dry place.

7. TROUBLESHOOTING

If you encounter any issues with your INFANS 3-in-1 Baby Bassinet, please refer to the following common solutions:

- **Bassinet feels unstable:** Ensure all leg components are fully inserted and locked. Check that the horizontal fixing bar is correctly installed. Verify that the wheels are locked when stationary.
- **Difficulty adjusting height:** Ensure the adjustment buttons are fully depressed before attempting to slide the legs. Check for any obstructions.
- **Mattress does not lie flat:** Confirm the mattress is correctly positioned and secured with the internal straps. Remove any foreign objects from beneath the mattress.
- **Side panel not lowering/raising smoothly:** Check for any fabric obstructions in the zipper or rail mechanism. Ensure the release buttons are fully engaged.

If problems persist, please contact INFANS customer support for assistance.
