Operating Instructions

Your Moen Nolia faucet offers versatile functionality for everyday kitchen tasks.

Water Flow and Temperature Control

The single lever handle allows for easy adjustment of water temperature and flow. Move the handle left for hot water, right for cold water, and up/down to control flow intensity.

Pull-Down Sprayer with Reflex™ System

The integrated pull-down sprayer provides extended reach for cleaning and filling. The Reflex™ system ensures smooth operation, easy movement, and secure docking of the spray head after each use.

Power Boost™ Technology

Activate Power Boost™ by pressing the button on the spray head for a more powerful stream, ideal for faster filling of pots or more effective rinsing of dishes.

Maintenance and Care

To maintain the beautiful finish and optimal performance of your Moen Nolia faucet, follow these care guidelines:

- **Cleaning:** Clean regularly with a soft cloth and mild soap. Avoid abrasive cleaners, harsh chemicals, or polishes as they can damage the finish.
- **Spot Resist Finish:** The Bronzed Gold finish is designed to resist fingerprints and water spots, making cleaning easier.
- **Water Safety:** Every Moen residential kitchen and bath faucet complies with the Federal Safe Drinking Water Act and NSF 61 standards, ensuring safe drinking water.

Image: The Moen certification seal indicating compliance with U.S. Water Safety Standards, emphasizing the product's safety for drinking water.

Troubleshooting

If you experience issues with your faucet, consider the following common solutions:

- **Low Water Flow:** Check if the aerator is clogged with debris. Unscrew and clean it. Ensure water supply valves are fully open.
- **Leaks:** Verify all connections are tight. If leaks persist, consult a professional plumber.
- **Sprayer Not Retracting:** Ensure the hose is not obstructed under the sink. The Reflex™ system should ensure smooth retraction.

For more complex issues, please refer to the full troubleshooting guide available on the Moen website or contact Moen customer support.

Specifications

Brand	Moen
Model Name	Nolia
Model Number	87071BZG
Color	Bronzed Gold
Material	Metal
Mounting Type	Deck Mount
Number of Handles	1
