## Soundcore A31X1

# Soundcore Select 4 Go Bluetooth Shower Speaker User Manual

Model: A31X1

### Introduction

The Soundcore Select 4 Go is a portable Bluetooth speaker designed for robust outdoor and indoor use. Featuring IP67 waterproof and dustproof protection, it is built to withstand various environments, including showers, beaches, and camping trips. Its compact design, long battery life, and powerful sound make it an ideal companion for music on the go. This manual provides essential information for setting up, operating, and maintaining your speaker.

## Setup

### 1. Charging the Speaker

Before first use, fully charge the speaker to ensure optimal battery performance. The charging time is approximately 4.5 hours.

- Connect the provided USB-A to C cable to the speaker's USB-C charging port.
- Connect the other end of the cable to a USB wall charger (not included) or a powered USB port.
- The LED indicator will show charging status and turn off when fully charged.

### 2. Bluetooth Pairing

Pair your Soundcore Select 4 Go with your Bluetooth-enabled device to start playing audio.

1. Power on the speaker by pressing and holding the Power button. The Bluetooth indicator will flash blue, indicating it's in pairing mode.
2. On your device, enable Bluetooth and search for "Soundcore Select 4 Go" in the list of available devices.
3. Select "Soundcore Select 4 Go" to connect. Once connected, the Bluetooth indicator will turn solid blue.

## Operating

### Basic Functions

- **Power On/Off:** Press and hold the Power button for 2 seconds.
- **Volume Control:** Press the '+' button to increase volume, '-' button to decrease volume.
- **Play/Pause:** Press the Multi-function button once.
- **Next Track:** Double-press the Multi-function button.
- **Previous Track:** Triple-press the Multi-function button.
- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds.
- **Activate BassUp:** Press the BassUp button to toggle bass enhancement.

### True Wireless Stereo (TWS) Pairing

For a more immersive audio experience, you can pair two Soundcore Select 4 Go speakers together.

1. Ensure both Soundcore Select 4 Go speakers are powered on.
2. Connect one speaker to your smartphone via Bluetooth (this will be the primary speaker).
3. On both speakers, press and hold the Bluetooth button for 2 seconds until you hear a tone. The Bluetooth indicators will flash white.
4. Once successfully paired, the Bluetooth indicator on the primary speaker will remain solid blue, and the secondary speaker's indicator will turn solid white.
5. To disconnect TWS, press and hold the Bluetooth button on either speaker for 2 seconds.

## Maintenance

Proper care ensures the longevity and performance of your Soundcore Select 4 Go speaker.

- **Cleaning:** Use a soft, damp cloth to clean the speaker's surface. Avoid using harsh chemicals or abrasive cleaners.
- **Waterproof Seal:** Ensure the rubber cover for the charging port is securely sealed before exposing the speaker to water to maintain its IP67 rating.
- **Storage:** Store the speaker in a cool, dry place when not in use. Avoid extreme temperatures.
- **Battery Care:** To preserve battery life, charge the speaker at least once every 3 months if not used regularly.

## Troubleshooting

| Problem | Solution |
|---|---|
| Speaker won't turn on. | Ensure the speaker is charged. Connect to a power source and try again. |
| Cannot pair with device. | Make sure the speaker is in pairing mode (flashing blue LED). Disable and re-enable Bluetooth on your device. Move speaker closer to device. |
| No sound or low volume. | Increase volume on both the speaker and your device. Ensure the speaker is connected. |
| Sound distortion. | Reduce volume. Ensure the speaker is not placed on a vibrating surface. |
| TWS pairing fails. | Ensure both speakers are Soundcore Select 4 Go models. Follow TWS pairing steps carefully. Disconnect any existing Bluetooth connections before TWS pairing. |
