VIAGDO B0DHGBCBVD

VIAGDO Twin Bed Frame with LED Lights, Storage Headboard, and Charging Station

Model: B0DHGBCBVD
Brand: VIAGDO

Introduction

Thank you for choosing the VIAGDO Twin Bed Frame. This upholstered platform bed frame is designed to provide comfort and functionality, featuring integrated LED lighting, a storage headboard with a built-in charging station, and convenient under-bed storage drawers. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your product.

Safety Information

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or product damage.

- To ensure a comfortable sleep, assemble the bed frame carefully to minimize potential squeaking.
- Be cautious when moving the bed frame due to its weight.
- Use compatible mattresses (recommended 8"-14" thickness) to maintain stability.
- Exercise care when handling the LED lights during assembly and maintenance to prevent any hazards.
- Keep all small parts and packaging materials away from children.

Package Contents

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard with integrated storage and charging station
- Bed frame side rails
- Support slats
- Under-bed storage drawers (2 units)
- Installation Manual
- Labelled Parts
- All necessary tools for assembly

Setup and Assembly

Assembly is straightforward and does not require professional skills. It is recommended to have two people for easier and safer assembly. Follow the illustrated instructions provided in the package.

General Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts using the provided labels and the parts list in the manual.
3. Assemble the headboard structure, ensuring the charging station and LED strip are correctly positioned.
4. Attach the side rails to the headboard and footboard.
5. Install the wooden slats onto the frame. The EVA silent strip and Velcro design ensure a noise-free and quick assembly.
6. Assemble the storage drawers and slide them into place under the bed frame.
7. Place your mattress (8"-14" recommended) onto the assembled frame.

Stable and Durable Structure

Provide weight capacity up to 1000lbs

Operating Instructions

LED Lighting System:

The bed frame features an RGB LED light strip around the headboard and bed frame. This system can be controlled via a remote control or a mobile application.

- **Color Customization:** Select from a wide range of colors to match your mood or room decor.
- **Brightness Adjustment:** Adjust the intensity of the lights.
- **Dynamic Modes:** Choose from various pre-set lighting modes.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.
- **Mic Function:** The lights can sync with music or sounds in the room.

Charging Station:

The headboard includes a built-in charging station for your electronic devices.

- **2 AC Outlets:** For standard electrical devices.
- **2 USB Ports:** For charging smartphones, tablets, and other USB-powered devices.
- The charging station is powered by a 6.5ft long power supply cord. Ensure it is plugged into a functional wall outlet.

Storage Drawers:

The bed frame includes two storage drawers for organizing clothes, blankets, and other items. These drawers are designed with smooth wheels for easy access.

Maintenance

Regular maintenance helps preserve the appearance and functionality of your bed frame.

- **Cleaning:** For the upholstered linen fabric, gently wipe with a damp cloth and mild detergent if necessary. Avoid harsh chemicals.
- **LED Lights:** Keep the LED strip clean and free from dust. Do not attempt to replace individual LEDs.
- **Frame Inspection:** Periodically check all bolts and screws to ensure they are tight. Retighten if necessary to maintain stability and prevent squeaking.
- **Charging Station:** Ensure the power cord is not pinched or damaged. Keep the outlets and USB ports free from dust and debris.

Troubleshooting

If you encounter any issues with your bed frame, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed frame squeaks	Loose connections; uneven floor; mattress issue.	Tighten all bolts and screws. Ensure the bed is on a level surface. Check if the mattress is causing the noise.
LED lights not working	Power connection issue; remote control battery dead; LED strip damage.	Check power connection to the LED strip. Replace remote control batteries. Contact support if the strip is damaged.
Charging station not working	Power cord unplugged; faulty outlet; device compatibility.	Ensure the charging station's power cord is securely plugged into a working wall outlet. Test with another device.
Drawers are difficult to open/close	Obstruction; damaged wheels.	Check for items blocking the drawer path. Inspect drawer wheels for damage and ensure they are properly aligned.

If the problem persists after attempting these solutions, please contact VIAGDO customer support for further assistance.

Specifications

Feature	Detail
Size	Twin
Material	Engineered Wood, Linen, Metal
Product Dimensions (L x W x H)	80.3"L x 42.9"W x 43.3"H
