

VAXZOFI BS47W

VAXZOFI Sideboard Buffet Cabinet

MODEL: BS47W

Brand: VAXZOFI

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your VAXZOFI Sideboard Buffet Cabinet, Model BS47W. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

The VAXZOFI Sideboard Buffet Cabinet is designed for versatile storage and display in various rooms such as the living room, dining room, entryway, or study. It features a sturdy construction with particle board and metal components, adjustable shelving, and a stylish design.

2. Product Features

The VAXZOFI Sideboard Buffet Cabinet combines functionality with a modern aesthetic. Key features include:

- **Stylish Modern Appearance:** Features three-dimensional carved decorations on the doors and golden metal legs and diamond-shaped handles.
- **Adequate Storage Space:** Equipped with 2 shelves and 4 doors, offering ample storage.
- **Adjustable Shelves:** Built-in shelves have 3 adjustable heights to accommodate various item sizes.
- **Multifunctional Design:** Can be used as a sideboard, buffet cabinet, storage cabinet, or credenza.
- **Sturdy Structure:** Constructed primarily from particle board with thick metal legs and handles for stability.
- **Enhanced Safety:** Includes an anti-tip device for increased stability and safety.

3. Setup and Assembly

Full assembly of the VAXZOFI Sideboard Buffet Cabinet is required. The package includes detailed instructions and all necessary components. It is recommended to have two people for assembly to ensure proper alignment and ease of construction.

All pieces are labeled with numbers, which simplifies identification during the assembly process. Follow the step-by-step instructions provided in the included manual.

Video 3.1: Installation Steps of the Accent Cabinet. This video demonstrates the assembly process.

Ensure all screws are tightened securely, but do not overtighten to avoid damaging the material. Pay close attention to the installation of the pop-up mechanisms for the doors and the drawer railings to ensure smooth operation.

4. Operating Instructions

The cabinet features four doors with a pop-up mechanism. To open, gently press the door. To close, push the

door until it clicks into place.

The interior shelves are adjustable. To change the shelf height, remove the shelf, reposition the shelf pins to one of the three available height settings, and then place the shelf back onto the pins.

5. Maintenance

To maintain the appearance and longevity of your cabinet, follow these guidelines:

- **Cleaning:** The cabinet has a smooth coated surface. Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Placement:** For indoor use only. Avoid direct sunlight and extreme temperature changes.
- **Safety:** Always use the provided anti-tip device to enhance stability and safety, especially in households with children or pets.

6. Troubleshooting

If you encounter issues with door alignment after assembly, adjustments can be made to the hinges:

- **Adjusting Door Position (Up/Down):** Loosen the screws that fix the two hinges to the cabinet frame. Adjust the door's position up or down as needed, then re-tighten the screws.
- **Adjusting Door Depth (In/Out):** If the door dents inwards or protrudes outwards, loosen the rear screw on the hinge, adjust the door to the appropriate position, and then tighten the screw.
- **Adjusting Gap Between Doors (Left/Right):** If the gap between doors is too large or too small, rotate the front screw on the hinge counterclockwise (for too large a gap) or clockwise (for too small a gap) to adjust the distance.
