Marine Animals Building Blocks 12 Set Instruction Manual

Model: 7261~7272 | Brand: Generic

INTRODUCTION

This instruction manual provides detailed guidance for assembling and caring for your Marine Animals Building Blocks 12 Set. This set allows you to construct 12 different mini sea creatures using micro building blocks, fostering creativity and fine motor skills.

Please read through all instructions carefully before beginning assembly. Keep this manual for future reference.

IMPORTANT SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts.

This product contains small parts and small balls which pose a choking hazard. It is not suitable for children under 3 years old. Adult supervision and guidance are required during use for all children.

WHAT'S IN THE BOX

Your Marine Animals Building Blocks 12 Set includes:

- 12 individual sets of micro building blocks, each for a different marine animal.
- 12 color instruction manuals (one for each animal model).
- Total of approximately 2642 micro building blocks (2-5mm).

Note: Each animal model comes with its own dedicated instruction manual for assembly.

ASSEMBLY INSTRUCTIONS

Each of the 12 marine animal models comes with its own dedicated color instruction manual. Follow the step-by-step diagrams in each manual to assemble your micro building block creatures.

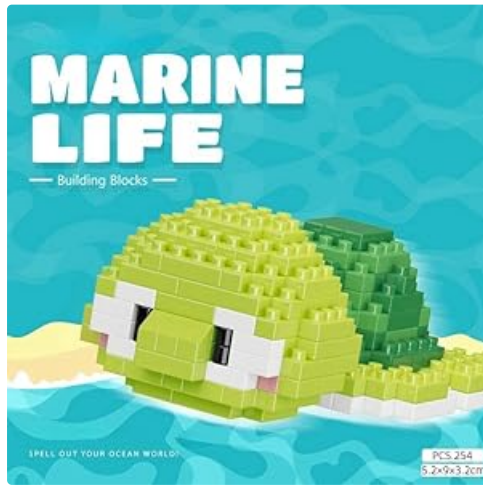

1. **Unpack:** Carefully open the packaging for one animal model.
2. **Sort Blocks:** It is recommended to sort the micro building blocks by color and shape before starting assembly. This will make the process smoother.
3. **Follow Manual:** Refer to the specific instruction manual provided for that animal. Each step will show which blocks to use and where to place them.
4. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable model.
5. **Repeat:** Once one animal is complete, you can move on to the next, following the same process.

Individual Animal Models

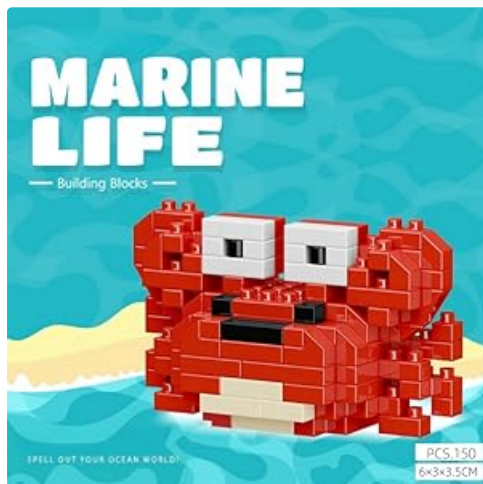

Here are some of the marine animals you can build:

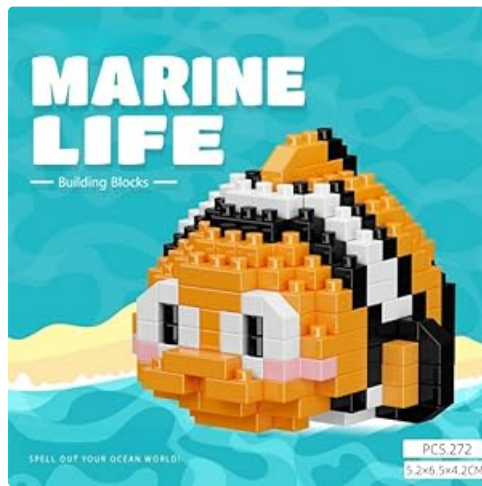

Green Sea Turtle

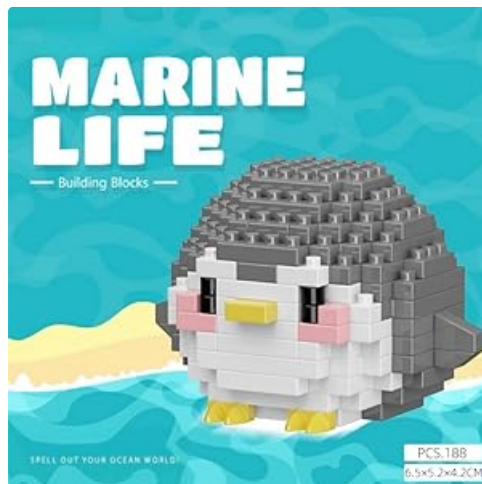

Blue Whale

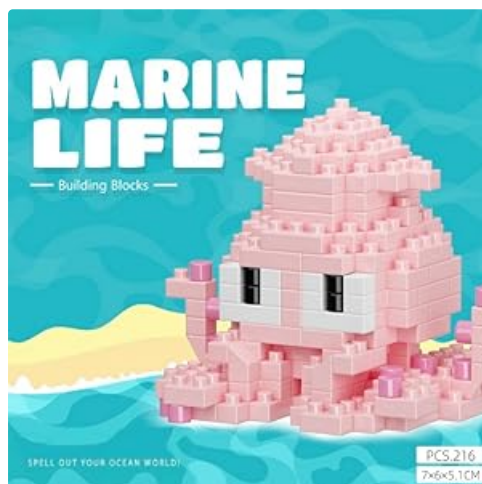

Red Crab

Orange Clownfish

Grey Penguin

Pink Octopus

Refer to the individual instruction manuals for detailed steps for each specific animal model.

USAGE AND DISPLAY

Once assembled, your marine animal models can be used for various purposes:

- **Educational Play:** Engage in imaginative play, learning about different marine species.
- **Display:** Showcase your completed models as decorative items on desks, shelves, or in dioramas.
- **Creative Customization:** Utilize extra blocks to create unique environments or hybrid creatures, fostering further creativity.

CARE AND MAINTENANCE

- **Cleaning:** To clean the models, gently wipe them with a dry, soft cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store unassembled blocks and completed models in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle assembled models with care to prevent blocks from detaching.

TROUBLESHOOTING

Missing Pieces:

Carefully check all packaging and surrounding areas. Due to the micro size of the blocks, they can be easily overlooked. If pieces are genuinely missing, please contact customer support.

Difficulty Assembling:

Ensure you are following the steps in the individual color manual precisely. Sometimes, a block may appear similar to another but has a slightly different connection point. Double-check the orientation and placement of each block.

Blocks Not Fitting Tightly:

Apply firm, even pressure when connecting blocks. If a block consistently does not fit, ensure it is the correct piece for that step as per the manual.
