SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your LUVIOHOME Round Console Table. It is recommended to have two people for assembly.

1. **Prepare the Area:** Clear a spacious, clean, and soft area (e.g., a carpeted floor) to prevent scratching the furniture during assembly.
2. **Identify Parts:** Lay out all parts (A, B, C) and the hardware kit (D). Compare them with the package contents list.
3. **Attach Legs to Tabletop:** Carefully align the top of Leg B with the designated mounting points on the underside of Tabletop Assembly A. Insert the provided screws from Hardware Kit D and tighten them securely with the Allen wrench. Repeat for Leg C on the other side. Ensure the legs are oriented correctly, with the flat side facing inwards if applicable.
4. **Secure Connections:** Double-check that all screws are fully tightened. Do not overtighten, as this may damage the wood.
5. **Upright the Table:** With assistance, carefully lift and place the assembled table upright in its desired location.
6. **Final Check:** Gently rock the table to ensure it is stable. If there is any wobbling, re-check all connections.
