DEWALT DXMA1902093

DEWALT Heavy Duty Black Edition 2-in-1 Neckband Bluetooth Headphones

Model: DXMA1902093

Product Overview

The DEWALT Heavy Duty Black Edition 2-in-1 Neckband Bluetooth Headphones are designed for robust use, offering both in-ear earbud audio and external speaker functionality. This versatile audio solution provides extended battery life and durable construction suitable for demanding environments.

Image: The DEWALT Heavy Duty Black Edition 2-in-1 Neckband Bluetooth Headphones, showcasing their design and key features like IP56 water resistance, 60+ hour earphone runtime, call vibration alerts, and EQ modes.

Key Features

- **2-in-1 Speakers with Headphones:** Wireless neckband earbuds with powerful speakers engineered to project audio upwards for an immersive music experience, while keeping you aware of your surroundings.
- **Extended Runtime:** Enjoy an impressive 60+ hours of earbud runtime and 7.5+ hours of speaker time, ensuring uninterrupted music playback throughout the day.
- **Balanced Audio with EQ Modes:** Experience balanced audio with 4 EQ modes (music, movies, podcasts, and super bass) for personalized sound tailored to your preferences.
- **Call Vibration Alerts and Built-In Magnets:** Features call vibration to alert you to incoming calls and built-in magnets to conveniently secure your earphones together when not in use.
- **Jobsite-Ready Design:** Heavy-duty construction with IP56 water resistance, sealed to withstand sweat and moisture, and includes a handy carry pouch, making them suitable for active days on the worksite.

Setup

What's in the Box

Verify that all components are present in the packaging:

- DEWALT Neckband Bluetooth Headphones
- Ear Cushions (various sizes)
- Ear Fins (various sizes)
- Type C Charging Cable
- User Manual (this document)
- Dewalt Drawstring Bag

Image: All items included in the product packaging, laid out for clear identification.

Charging the Device

Before first use, fully charge the headphones. Connect the supplied Type C charging cable to the charging port located on the neckband. The charging time is approximately 1.5 hours.

Bluetooth Pairing

To pair your headphones with a Bluetooth-enabled device:

1. Ensure the headphones are powered off.
2. Press and hold the Power button until the LED indicator flashes, indicating pairing mode.
3. On your device, enable Bluetooth and search for available devices.
4. Select "DEWALT Neckband" from the list.
5. Once connected, the LED indicator will show a solid light.

Operating Instructions

Wearing the Headphones

Place the neckband comfortably around your neck. The earbuds can be worn in your ears for private listening or secured together via their built-in magnets when not in use, preventing dangling.

Image: The earbuds are shown magnetically connected, illustrating how they can be secured when not in use to prevent tangling or loss.

Switching Between Earbud and Speaker Mode

The headphones feature a 2-in-1 design. To switch between earbud and speaker mode, refer to the control buttons on the neckband. The external speakers are designed to project audio upwards, allowing for situational awareness.

Call Management

The headphones support hands-free calling. Incoming calls are indicated by vibrating alerts. Use the control buttons to answer, end, or reject calls.

EQ Modes

Optimize your audio experience with four distinct EQ modes:

- **Music Mode:** Balanced audio for general music listening.
- **Movies Mode:** Enhanced audio for cinematic content.
- **Podcasts Mode:** Optimized for clear voice reproduction.
- **Super Bass Mode:** Amplified bass for a powerful audio experience.

Switch between modes using the dedicated EQ button on the neckband.

Maintenance

Cleaning

Wipe the headphones with a soft, damp cloth. Do not use abrasive cleaners or immerse the device in water. Ensure the charging port cover is securely closed before cleaning.

Water Resistance (IP56)

The headphones are rated IP56 for water resistance, meaning they are protected against dust ingress and high-pressure water jets from any direction. This makes them suitable for use in environments with sweat and moisture. However, they are not designed for submersion in water.

Troubleshooting

Problem	Possible Cause	Solution
No Power	Low battery	Charge the headphones using the supplied Type C cable.
Cannot Pair Bluetooth	Headphones not in pairing mode; Device Bluetooth off; Too far from device	Ensure headphones are in pairing mode (flashing LED). Turn on Bluetooth on your device. Move device closer to headphones (within 10 meters).
No Audio / Low Volume	Volume too low; Incorrect mode (earbud/speaker); Loose connection	Adjust volume on headphones and connected device. Ensure correct mode is selected. Re-pair the device if necessary.
Earbuds Dangling	Not secured by magnets	Ensure earbuds are brought together to engage the built-in magnets for secure storage.
