3. SETUP AND INSTALLATION

1. **Power Off Device:** Ensure your mobile phone is completely powered off before attempting to remove or install the battery.
2. **Remove Old Battery:** Open the battery compartment cover of your phone. Carefully remove the old battery, if present.
3. **Insert New Battery:** Align the Generico BL-4C battery with the contacts inside the battery compartment. Gently press the battery into place until it sits securely. Do not force the battery.
4. **Close Compartment:** Replace the battery compartment cover.
5. **Initial Charge:** For optimal performance, fully charge the new battery before its first use. Connect your phone to its original charger and allow it to charge until the battery indicator shows 100%.

4. OPERATING INSTRUCTIONS

The Generico BL-4C battery operates like any standard mobile phone battery. Once installed and charged, your phone should power on normally.

- **Charging:** Always use a compatible charger designed for your mobile phone. Overcharging or using incompatible chargers can damage the battery and device.
- **Battery Life:** Battery life varies depending on phone usage, network conditions, and settings.
- **Temperature:** Avoid exposing the battery to extreme temperatures (below 0°C or above 45°C), as this can degrade performance and shorten its lifespan.

5. MAINTENANCE AND SAFETY

Proper maintenance ensures the longevity and safe operation of your battery.

- **Storage:** If storing the battery for an extended period, keep it partially charged (around 50%) in a cool, dry place.
- **Cleaning:** Keep battery contacts clean. Use a dry, soft cloth to wipe them if necessary.
- **Avoid Damage:** Do not puncture, disassemble, or drop the battery. Avoid short-circuiting the battery terminals.
- **Disposal:** Do not dispose of the battery in household waste. Li-ion batteries must be recycled properly. Look for local recycling centers or return programs for electronic waste. The battery features a crossed-out wheeled bin symbol, indicating it should not be disposed of with general waste.
