5. SETUP

5.1 Charging the Keyboard

Before initial use, ensure the keyboard is fully charged. Connect the provided USB-C charging cable to the keyboard's charging port and a power source. The charging indicator light will show the charging status.

Scissor Key Structure

Swift typing with durable, anti-loosening scissor-switch keys. Type more, worry less.

Type-C Charging Port

One cable, endless possibilities. Experience the ease of universal connectivity.

Flexible Kickstand

Convenient to open and retract, it transforms your device into a dynamic workstation or entertainment hub

Secure Pen Slot Design

Quick snap, easy grab, thoughtful details, making work and study easier!

5.2 Connecting the Keyboard via Bluetooth

1. **Turn on the keyboard:** Locate the power switch on the keyboard and slide it to the 'ON' position. The Bluetooth indicator light will start blinking.
2. **Enable Bluetooth on your iPad:** Go to your iPad's 'Settings' app, tap on 'Bluetooth', and toggle the Bluetooth switch to 'On'.
3. **Pair the keyboard:** On the keyboard, press the 'Fn' key and the 'C' key simultaneously. The Bluetooth indicator light will blink rapidly, indicating it's in pairing mode.
4. **Select 'Bluetooth Keyboard':** On your iPad's Bluetooth device list, 'Bluetooth Keyboard' will appear. Tap on it to connect.
5. **Confirm Pairing:** A Bluetooth Pairing Request pop-up may appear. Tap 'Pair' to confirm. The keyboard's Bluetooth indicator light will stop blinking and remain solid, indicating a successful connection.

5.3 Enabling Trackpad Functionality

For optimal trackpad experience, ensure 'Tap to click' is enabled on your iPad:

1. Go to 'Settings' on your iPad.
2. Tap on 'General'.
3. Select 'Trackpad'.
4. Toggle 'Tap to click' to the 'On' position.

Video: This video provides a simple, step-by-step guide on how to connect the INFILAND keyboard to your iPad via Bluetooth and activate the trackpad's 'Tap to click' function.

6. OPERATING INSTRUCTIONS

6.1 Keyboard Shortcuts

Utilize the following function (Fn) key combinations for quick access to iPad features:

- **Fn + Home icon:** Return to the Home screen.
- **Fn + Sun icon (down):** Decrease screen brightness.
- **Fn + Sun icon (up):** Increase screen brightness.
- **Fn + Magnifying glass icon:** Open Search.
- **Fn + Square icon:** Take a screenshot.
- **Fn + Keyboard icon:** Toggle the on-screen keyboard.
- **Fn + Globe icon:** Change keyboard language.
- **Fn + Media controls (Rewind, Play/Pause, Fast Forward):** Control media playback.
- **Fn + Mute icon:** Mute/unmute audio.
- **Fn + Volume down:** Decrease volume.
- **Fn + Volume up:** Increase volume.
- **Fn + Lock icon:** Lock the iPad screen.

- **Fn + Trackpad icon:** Enable/disable the trackpad.

6.2 Trackpad Gestures

The high-precision trackpad supports various multi-finger gestures:

- **Three-finger swipe up:** Pause for background programs to appear. Swipe up again to exit the background interface.
- **Two-finger left and right swipe:** Pull out the corresponding function interface.
- **Two-finger scroll down:** Bring up the search bar.
- **Two-finger left and right swipe (background program interface):** Move between background programs.
- **Double pointing up (background program interface):** End a background program.
- **Two-finger slide (application interface):** Pull the interface view angle.
- **Two-finger zoom (application interface):** Control the interface size.
- **Double-tap with one finger (right hand) to select text:** Press the trackpad with one finger (left hand) and move the text to the desired position with one finger (right hand).

6.3 Backlight Control

Adjust the keyboard backlight to your preference:

- **Press Lightbulb key:** Cycle through backlight brightness levels (bright, medium, low, off).
- **Press Fn + Lightbulb key:** Cycle through 7 backlight colors (default is white).

7. MAINTENANCE

- Keep the keyboard case away from liquids and extreme temperatures.
- Clean the case and keyboard with a soft, damp cloth. Avoid harsh chemicals.
- When not in use, ensure the case is closed to protect your iPad and keyboard.

8. TROUBLESHOOTING

8.1 Keyboard Not Connecting

- Ensure the keyboard is powered on and fully charged.
- Verify Bluetooth is enabled on your iPad.
- Make sure the keyboard is in pairing mode (Fn + C).
- Forget the device on your iPad's Bluetooth settings and try pairing again.

8.2 Trackpad Not Responding

- Ensure the trackpad is enabled (Fn + Trackpad icon).
- Check iPad settings to confirm 'Tap to click' is active under 'General' > 'Trackpad'.
- Restart your iPad and the keyboard.

8.3 Keys Not Working

- Recharge the keyboard.
- Reconnect the keyboard via Bluetooth.
- Ensure no debris is lodged under the keys.
