DUSONLAP MT65

DUSONLAP Smart Watch User Manual

Model: MT65

Introduction

This manual provides comprehensive instructions for the operation, maintenance, and troubleshooting of your DUSONLAP MT65 Smart Watch. Please read this manual thoroughly before using the device to ensure proper function and longevity.
The DUSONLAP MT65 Smart Watch features a 1.85-inch HD touch color screen, Bluetooth 5.3 for calls and notifications, over 100 sport modes, IP68 waterproof rating, and 24/7 health monitoring including heart rate and sleep tracking. It is compatible with iOS 9.0+ and Android 6.0+ devices.

Package Contents

Verify that all items are present in the package:

- DUSONLAP MT65 Smart Watch (Blue)
- Charging Cable (Magnetic)
- User Manual

Setup Guide

1. Charging the Smart Watch

Before first use, fully charge the smart watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a compatible power adapter (not included) or computer USB port.

- Charging Time: Approximately 2 hours for a full charge.
- Battery Life: Up to 7 days of average usage, 30 days standby time.

2. Installing the GloryFit App

The DUSONLAP MT65 Smart Watch requires the "GloryFit" application for full functionality and data synchronization. The app is compatible with iOS 9.0 or higher and Android 6.0 or higher.

1. Turn on the Bluetooth function on your smartphone.
2. Open your phone's app store (Google Play Store for Android or Apple App Store for iOS).
3. Search for "GloryFit" and download the application.

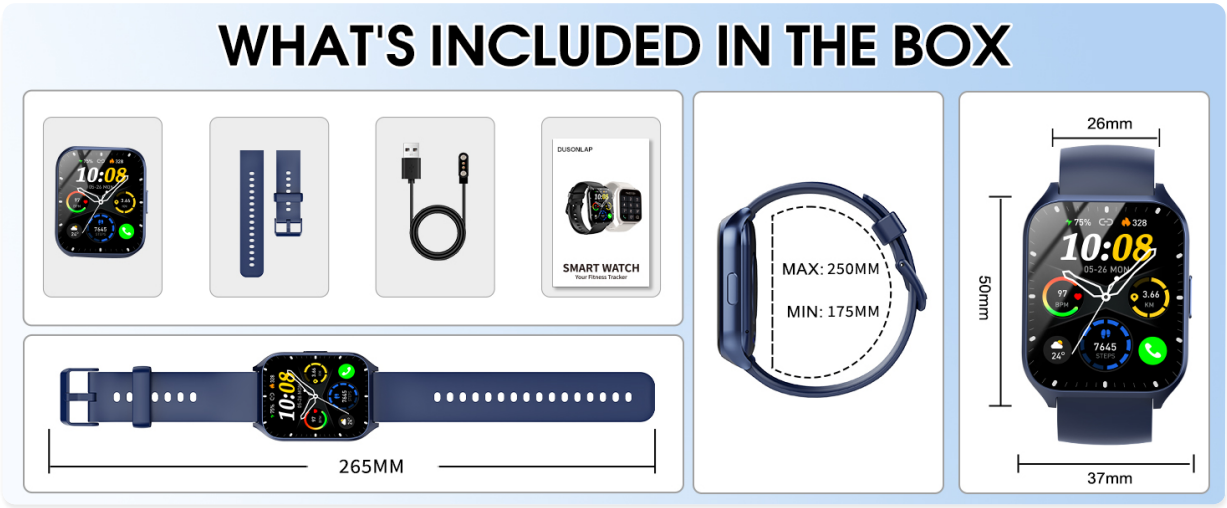

Image: A visual guide showing the steps to download and install the GloryFit app on a smartphone.

3. Pairing the Smart Watch with Your Phone

After installing the GloryFit app, follow these steps to pair your watch:

1. Open the GloryFit app on your smartphone.
2. In the app, navigate to the device section and select "Add Device" or "Bind Device".
3. The app will search for available devices. Select "MT65" from the list.
4. Confirm the pairing request on both your phone and the smart watch if prompted.

Enabling Call Functionality:
To enable the answer/call function, an additional Bluetooth connection is required:

1. After connecting "MT65" in the GloryFit app, a mobile phone system popup pairing request will appear. Select "Pairing".
2. On the watch, turn on the call Bluetooth switch.
3. In your phone's Bluetooth settings, ensure that the "MT65" device is connected for calls and media audio.
4. Once connected, you can use the watch to answer/make calls anytime.

Health Monitoring

- **Heart Rate Monitoring:** The watch continuously monitors your heart rate in real-time. Data is accessible on the watch and in the GloryFit app.
- **Sleep Monitoring:** Tracks sleep status (deep, light, wakeful sleep) and provides a comprehensive analysis in the GloryFit app.
- **Activity Tracking:** Records daily activities such as steps, distance, and calories burned.

Other Features

The DUSONLAP MT65 Smart Watch includes several practical features:

- Timer and Stopwatch
- Alarm Clock
- Find Your Phone function
- Sedentary Reminder
- Music Control
- Weather Forecast
- Do Not Disturb mode
- Photo Control (remote camera shutter)
- Female Cycle Tracking

Maintenance

Cleaning the Smart Watch

Regular cleaning helps maintain the watch's appearance and functionality.

- Wipe the screen and body with a soft, lint-free cloth.
- For stubborn dirt, slightly dampen the cloth with water. Avoid harsh chemicals or abrasive materials.
- Ensure the charging contacts are clean and dry before charging.

Water Resistance (IP68)

The DUSONLAP MT65 Smart Watch has an IP68 water and dust resistance rating. This means it can withstand:

- Sweat during exercise.
- Hand washing.
- Rain exposure.

Note:

- Do not use the watch in hot water, saunas, or steam rooms.
- Avoid prolonged submersion or high-pressure water jets.
- Rinse the watch with fresh water and dry it thoroughly after exposure to saltwater or chlorinated water.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Watch does not turn on.	Low battery.	Charge the watch for at least 10 minutes.
Cannot pair with phone.	Bluetooth is off on phone/watch; app not open; watch not discoverable.	Ensure Bluetooth is enabled on both devices. Restart the GloryFit app. Restart the watch and phone. Ensure the watch is in pairing mode.
Call function not working.	Second Bluetooth connection not established; permissions not granted.	Check phone's Bluetooth settings to ensure "MT65" is connected for calls. Grant necessary permissions in phone settings.
Inaccurate health data (HR, Sleep, Steps).	Watch not worn correctly; sensor obstruction; software glitch.	Ensure the watch is snug on your wrist (not too tight or loose). Clean the sensor on the back of the watch. Restart the watch. Update the GloryFit app.
Notifications not received.	Notification permissions not enabled in app/phone settings; Do Not Disturb mode active.	Check notification settings in the GloryFit app and your phone's system settings. Disable Do Not Disturb mode on the watch.
