Graco 4Ever DLX 4-in-1 Car Seat Instruction Manual

Model: 2215486

INTRODUCTION

Experience a decade's worth of safe and secure car journeys with Graco's 4Ever DLX 4-in-1 Car Seat. This intuitive and innovative car seat effortlessly transitions from a rear-facing harness car seat (4-40 pounds) to a forward-facing harness car seat (26.5–65 lb), to a high-back belt-positioning booster (40-100 pounds), and finally to a backless belt-positioning booster (40-120 pounds). Our trusted Graco ProtectPlus Engineering technology offers robust protection in various crash situations. With the Simply Safe Adjust Harness System, you can conveniently adjust the harness and headrest in mere seconds to ensure your child's absolute safety.

10 years

Four modes. One Seat

Figure 1: The Graco 4Ever DLX Car Seat adapts to four modes of use, providing 10 years of functionality as your child grows.

KEY FEATURES

- **4-In-1 Design:** Seamlessly transforms from infant to toddler as your child grows.
- **Safeguard Plus:** Engineered for optimal protection in frontal, side, rear, and rollover crashes.
- **Effortless Adjustment:** Harness and headrest adjust in one smooth motion with 10 position selection.
- **Comfort-Oriented:** 6-position recline keeps your growing child comfortable throughout the journey.
- **Easy Installation:** InRight LATCH attachment and integrated belt lock-off allows for simple, secure setup.
- **User-Friendly:** Machine washable RapidRemove cover, easy to clean without uninstalling the seat.
- **Versatile Value:** One car seat investment offers 10 years of safe, comfortable travel.

SETUP AND INSTALLATION

Proper installation is crucial for your child's safety. The Graco 4Ever DLX Car Seat offers multiple installation methods to accommodate different vehicle types and child stages.

Rear-Facing Harness Mode (4-40 lb)

For infants and smaller toddlers, the car seat must be installed in a rear-facing position. Ensure the seat is reclined to one of the appropriate positions for rear-facing use, indicated on the side of the car seat. Use the InRight LATCH system or your vehicle's seat belt to secure the car seat firmly.

4 Modes of Use

1

Rear-Facing
Harness
4-40 lb

2

Forward-Facing
Harness
26.5-65 lb

Figure 3: Rear-Facing Harness Mode for infants.

Forward-Facing Harness Mode (26.5-65 lb)

Once your child meets the height and weight requirements, the car seat can be transitioned to a forward-facing position. Remove the infant inserts as needed to provide more space. Utilize the InRight LATCH system and top tether for secure installation.

4 Modes of Use

3

Highback
Booster
40-100 lb

4

Backless
Booster
40-120 lb

Figure 4: Forward-Facing Harness Mode for toddlers.

Highback Belt-Positioning Booster Mode (40-100 lb)

For older children, the car seat converts into a highback booster. The vehicle's seat belt is used to secure the child, with the car seat providing proper belt positioning and head support.

6-Position Recline

Figure 5: Highback Belt-Positioning Booster Mode.

Backless Belt-Positioning Booster Mode (40-120 lb)

For the final stage, the back of the car seat can be removed, converting it into a backless booster. This mode is suitable for children who are ready for a booster but still need assistance with proper seat belt fit.

10-Position Headrest

Figure 6: Backless Belt-Positioning Booster Mode.

For detailed installation instructions, always refer to the full instruction manual provided with your car seat and your vehicle's owner's manual.

OPERATING THE CAR SEAT

Harness and Headrest Adjustment

The Simply Safe Adjust Harness System allows you to adjust the height of the harness and headrest in one motion, ensuring a proper fit as your child grows. There are 10 available positions for optimal safety and comfort.

Figure 7: Adjusting the 10-Position Headrest for a perfect fit.

Recline Positions

The car seat features a 6-position recline system, allowing you to find the most comfortable angle for your child, whether they are awake or asleep. The recline positions are clearly marked for easy selection.

Figure 8: The 6-Position Recline system for child comfort.

Fuss-Free Harness Storage

Integrated harness storage pockets conveniently hold the harness out of the way, making it easier to get your child in and out of the seat. This feature is especially useful when transitioning to booster modes.

Figure 9: Fuss-Free harness storage for easy access and child placement.

MAINTENANCE

Cleaning the Car Seat

The RapidRemove cover is machine washable and can be removed in 60 seconds without uninstalling the seat, making cleaning quick and convenient. Always refer to the care tag for specific washing instructions.

Cleans up in a snap
without uninstalling the seat

Figure 10: The RapidRemove cover simplifies cleaning by allowing removal without uninstalling the car seat.

Cup Holders

The two integrated cup holders are easy to clean and can be removed for thorough washing. They provide convenient storage for your child's drinks and small items.

TROUBLESHOOTING

If you encounter any issues with your Graco 4Ever DLX Car Seat, please refer to the comprehensive troubleshooting section in your full instruction manual. Common issues and their solutions are detailed there.

- **Difficulty with Installation:** Ensure the InRight LATCH connectors are fully engaged and the seat belt is routed correctly and tightened. Check for proper recline angle indicators.
- **Harness Adjustment Issues:** Verify that the Simply Safe Adjust handle is fully pulled before attempting to raise or lower the headrest and harness. Ensure no fabric is obstructing the mechanism.
- **Loose Fit:** Re-read the installation section of the manual carefully. Apply firm pressure to the car seat while tightening the LATCH straps or seat belt to remove slack.

SPECIFICATIONS

Feature	Detail
Product Dimensions	20 x 21.5 x 24 inches
Item Model Number	2215486
