5. CARE AND MAINTENANCE

Proper care will help maintain the quality and appearance of your lounge set.

- **Washing:** Machine wash cold with like colors.
- **Drying:** Tumble dry low or lay flat to dry to preserve fabric integrity.
- **Ironing:** If necessary, iron on low heat. Do not bleach.
- **Fabric Softness:** The fabric is designed to get softer with each wash, contributing to its lived-in look.

6. COMMON CONCERNS

While designed for comfort, individual fit preferences may vary. Consider the following:

- **Waistband Fit:** The waistband is designed to be secure. If you prefer a looser fit around the waist for comfort, especially after meals or for extended wear, you may consider sizing up.
- **Sleeve and Pant Length:** The loose-fit design includes longer sleeves and wide-leg pants. For individuals with shorter stature, sleeves may require rolling, and pant length should be checked to ensure it does not sweep the floor.
