Growalleter HC-Q3S Case-BK

Growalleter Travel Case for Oculus/Meta Quest 3 VR Headset

Model: HC-Q3S Case-BK

1. INTRODUCTION

The Growalleter Travel Case (Model: HC-Q3S Case-BK) is a versatile and durable storage solution designed to protect and organize your VR headset and its accessories. This case is compatible with a wide range of virtual reality devices, including the Oculus/Meta Quest 3, Quest 3S, Quest 2, Quest Pro, Pico 4 Ultra, PS VR2, PICO 4, PICO 4 Pro, and PICO G2 4K. Its robust construction and organized compartments ensure your VR equipment remains secure and easily accessible, whether at home or during travel.

This manual provides essential information on the features, setup, operation, maintenance, and specifications of your Growalleter Travel Case to ensure optimal use and longevity.

2. PRODUCT FEATURES

- **Compact Design, Large Capacity:** Designed to perfectly fit the Quest 3, most VR head straps, two controller grips, and other VR accessories. Compatible with various battery straps such as Kiwi Design and BOBOVR M3/M3 Pro, Kiwi 10000 mAh, and AMVR head straps. (*Note: Not suitable for BOBOVR S3 Pro, Vakdon Elite Strap, or KIWI Design SPC Head Strap 6400 mAh.*)
- **Comprehensive Protection:** Features an integrated internal groove for a snug fit of the Quest 3 device and controller grips. An elastic band stabilizes controller grips to prevent shaking and collision. Includes a lens cover for added protection against scratches.
- **Premium Materials:** Constructed from high-quality Oxford fabric, EVA, and velvet, offering excellent resistance to scratches, shocks, and water. The lint-free interior protects your Quest 3 headset from damage.
- **Multi-functional:** The rigid and durable EVA hard shell, combined with a soft, customized interior, provides ultra-comprehensive protection. Its waterproof design makes it suitable for outdoor activities like cycling, hiking, and camping.
- **Easy Portability:** Equipped with a cowhide leather hand strap, double zippers, and lightweight materials for comfortable carrying at home or while traveling.

3. SETUP AND STORAGE

Follow these steps to properly store your VR headset and accessories in the Growalleter Travel Case:

1. **Open the Case:** Unzip the double zippers completely to open the case.

2. **Insert VR Headset:** Carefully place your Quest 3 (or compatible VR headset) into the main molded compartment. Ensure it fits snugly within the designated area.
3. **Position Controllers:** Place the touch controllers into their respective molded slots. Use the integrated elastic band to secure them, preventing movement during transit.
4. **Add Accessories:** Utilize the mesh pocket on the lid for smaller accessories such as charging adaptors, data cables, and other small items.
5. **Apply Lens Cover:** Before closing, ensure the provided lens cover is placed over the VR headset lenses to prevent scratches and dust accumulation.
6. **Close the Case:** Gently close the lid and secure it by zipping both zippers fully.

STORE YOUR QUEST 3S PERFECTLY

4. OPERATION AND PORTABILITY

The Growalleter Travel Case is designed for ease of use and portability:

- **Carrying:** Use the sturdy cowhide leather hand strap for comfortable carrying. The lightweight design ensures minimal added burden.
- **Secure Closure:** The durable double zippers provide a secure closure, protecting your devices from dust, spills, and impacts.
- **Versatile Use:** Its waterproof and shock-proof properties make it ideal for various environments, from home storage to outdoor adventures.

5. MAINTENANCE AND CARE

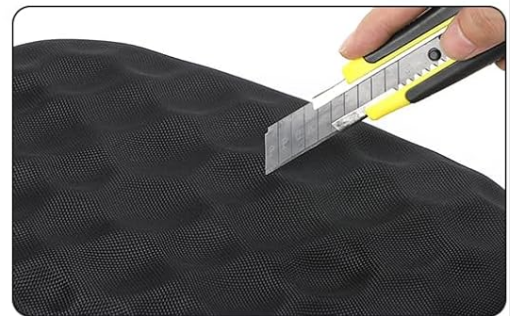

To ensure the longevity and pristine condition of your Growalleter Travel Case, follow these maintenance guidelines:

- **Cleaning the Exterior:** Wipe the Oxford fabric exterior with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by wiping with a clean, damp cloth. Allow to air dry completely.
- **Cleaning the Interior:** The velvet interior can be gently vacuumed or wiped with a lint-free cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners.
- **Water Resistance:** While the case is waterproof, avoid submerging it in water. If it gets wet, dry it thoroughly as soon as possible.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Avoid Sharp Objects:** Keep sharp objects away from the case to prevent scratches or punctures to the exterior and interior materials.

6. TROUBLESHOOTING

• VR Headset or Strap Does Not Fit:

Ensure your VR headset model is listed as compatible. While the case accommodates most regular-sized VR head straps, some larger or custom straps (e.g., BOBOVR S3 Pro, Vakdon Elite Strap, KIWI Design SPC Head Strap 6400 mAh) may not fit. Refer to the "Product Features" section for specific exclusions.

STANDARD CAPACITY

Compatible with most regular size VR Headstrap

Image 6: Visual representation of the case's standard capacity and compatibility with various VR headsets and head straps.

- **Zippers are Stiff:**

Apply a small amount of zipper lubricant or a graphite pencil lead along the zipper teeth to improve smoothness. Avoid forcing the zippers.

- **Case Deformed:**

The EVA hard shell is designed to maintain its shape. If minor deformation occurs, ensure the case is not overpacked. For significant deformation, contact customer support.

7. SPECIFICATIONS

Feature	Detail
