## AODK 43 Inch L Shaped Gaming Desk (B0DHRLC1W6)

# AODK L Shaped Gaming Desk User Manual

Model: 43 Inch L Shaped Gaming Desk (B0DHRLC1W6)
Brand: AODK

## 1. Product Overview

The AODK L Shaped Gaming Desk is a versatile and functional workstation designed for home offices, gaming setups, and studios. This desk features a reversible L-shape configuration, allowing it to be set up on either the left or right side to best suit your space. It comes equipped with integrated LED lighting, a convenient power outlet with USB charging ports, ample storage solutions including shelves, a CPU stand, a headphone hook, and a storage bag.

### Key Features:

- **Reversible L-Shape Design:** Adaptable configuration for left or right-hand setup.
- **Integrated Power Outlet:** Includes 3 AC outlets (125V/12A) and 2 USB charging ports (5V/2A) for convenient device charging.
- **Colorful LED Lights:** Features 10 static colors, 8 brightness grades, 10 dynamic modes, and memory function to enhance your workspace or gaming environment.
- **Ample Storage:** Two shelves, a CPU stand, a headphone hook, and a storage bag provide organized space for your essentials.
- **Durable Construction:** Built with a stable metal frame and engineered wood top for longevity.

## 2. Safety Information

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always ensure the desk is properly anchored to the wall or floor to prevent tipping, especially if children are present.

- Do not overload the desk, particularly the top hutch, to maintain stability.
- Exercise caution when using the integrated power outlets and USB charging ports to prevent electrical hazards. Ensure all devices are compatible with the provided voltage and amperage.
- Follow the assembly instructions carefully and ensure all fasteners are securely tightened before use.
- Keep liquids away from electrical components to prevent short circuits or damage.

## 3. Setup and Assembly

The AODK L Shaped Gaming Desk is designed for straightforward assembly. All necessary parts are clearly labeled, and detailed instructions are included in the packaging. It is recommended to assemble the desk with at least two people.

### 3.1 Reversible Configuration

The L-shaped design of this desk is reversible, allowing you to configure the longer or shorter side to your preference. This flexibility helps maximize your space. Refer to the assembly manual for specific steps on how to set up the desk in either a left-hand or right-hand orientation.

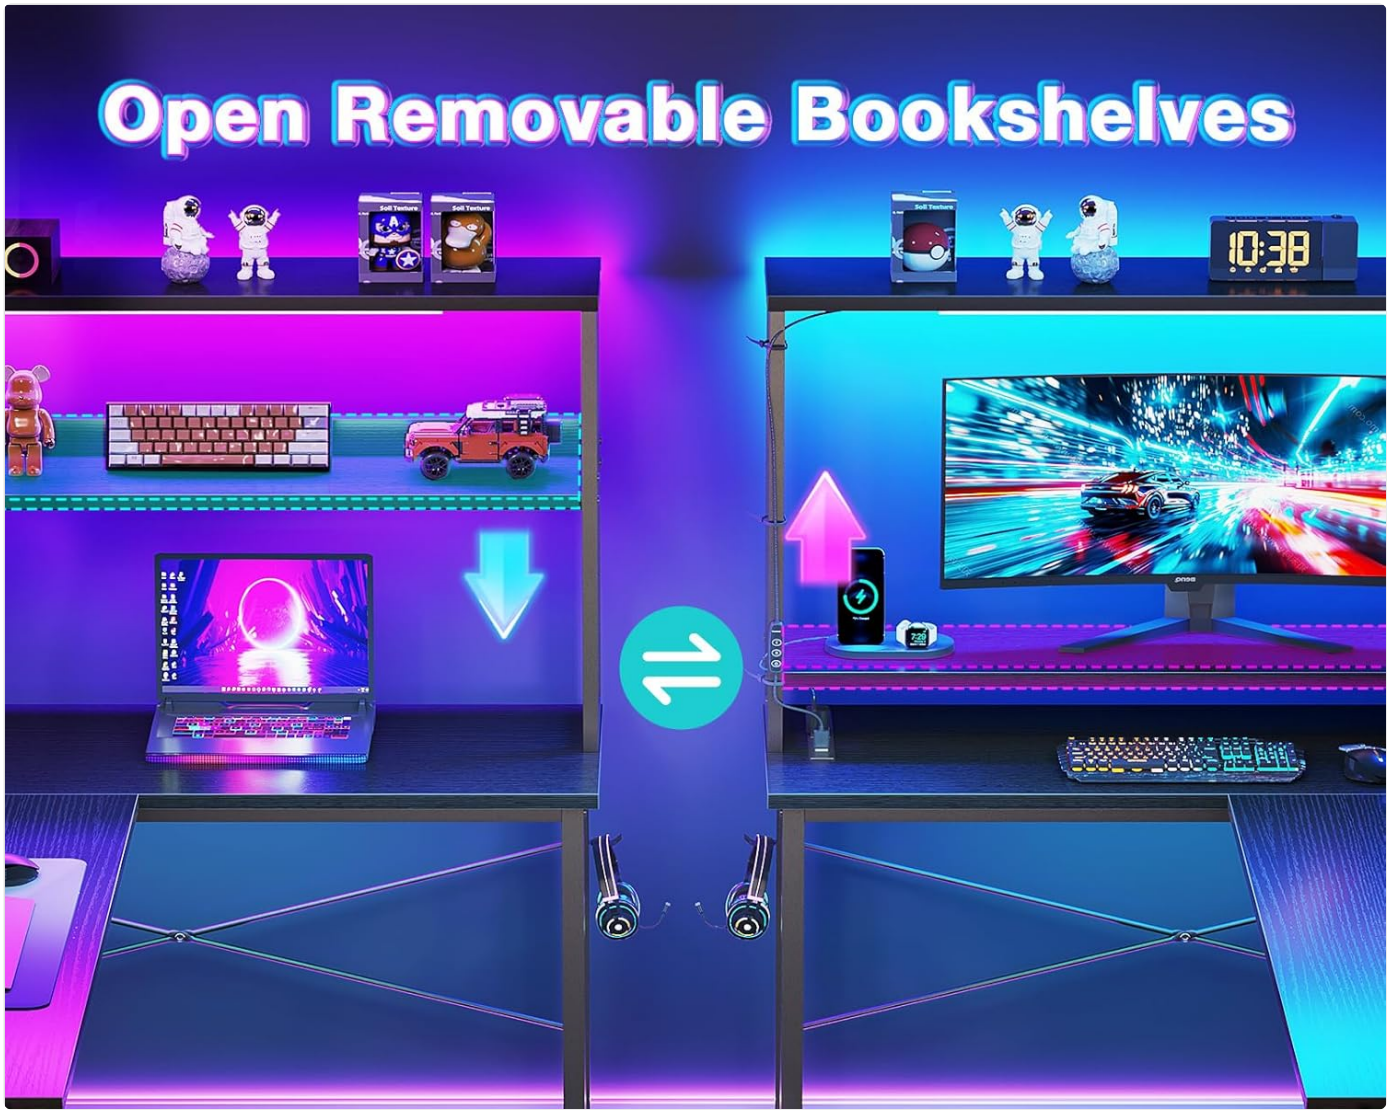

Image: A diagram illustrating the reversible nature of the L-shaped desk, showing how the hutch and main desk sections can be swapped to create different configurations.

### 3.2 Assembly Tips

- Unpack all components and verify against the parts list provided in your manual.
- Lay out all parts on a soft, clean surface to prevent scratches during assembly.
- Do not overtighten screws during initial assembly; tighten them fully once the entire structure is aligned.

- Ensure the adjustable foot pads are properly installed and adjusted to level the desk on uneven floors, enhancing stability.

## 4. Operating Instructions

### 4.1 Power Outlets and USB Charging Ports

The desk is equipped with a built-in power strip featuring 3 standard AC outlets and 2 USB charging ports. This allows for convenient charging of your electronic devices directly from your workstation.

- Connect the desk's main power cord (5-foot length) to a wall outlet.
- Plug in your devices (laptops, monitors, smartphones, gaming gear) into the available AC outlets or USB ports.
- Ensure devices do not exceed the maximum rated capacity of the power strip (125V/12A for AC, 5V/2A for USB).

### 4.2 LED Lighting System

The integrated LED strip provides customizable lighting to enhance your gaming or work experience. It features a controller for easy adjustments.

- **Power On/Off:** Use the power button on the LED controller to turn the lights on or off.
- **Color Selection:** Cycle through 10 static colors using the color selection button.
- **Brightness Adjustment:** Adjust the brightness across 8 grades to suit your preference.
- **Dynamic Modes:** Choose from 10 dynamic lighting modes for various effects.
- **Memory Function:** The system remembers your last setting when powered off.

### 4.3 Storage Features

Utilize the various storage options to keep your workspace tidy and organized.

- **Shelves:** The two-tier upper storage rack can be used as a display shelf or a monitor stand.
- **CPU Stand:** A dedicated stand keeps your CPU off the floor, protecting it from dust and improving airflow.
- **Headphone Hook:** Conveniently hang your headphones or headset to keep them accessible and off the desk surface.
- **Storage Bag:** An attached storage bag provides additional space for small office supplies, documents, or personal items.

## 5. Maintenance

Proper maintenance will ensure the longevity and appearance of your AODK L Shaped Gaming Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Dusting:** Regularly dust the desk surfaces, especially around the LED strip and power outlets, to prevent dust buildup.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.
- **Electrical Components:** Ensure the power cord and LED strip connections are secure and free from damage. Do not attempt to repair electrical components yourself.

## 6. Troubleshooting

If you encounter any issues with your AODK L Shaped Gaming Desk, refer to the following common troubleshooting tips:

| Problem | Possible Cause | Solution |
| --- | --- | --- |

| Problem | Possible Cause | Solution |
|---|---|---|
| Desk is wobbly or unstable. | Loose fasteners; uneven floor; improper assembly. | Check and tighten all screws. Adjust the foot pads to level the desk. Review assembly instructions to ensure all parts are correctly installed. |
| LED lights are not working. | Power cord disconnected; LED strip connection loose; controller malfunction. | Ensure the desk's power cord is securely plugged into a working outlet. Check the connection between the LED strip and its controller. Verify the controller is powered on. |
| Power outlets/USB ports not providing power. | Desk's power cord disconnected; overloaded circuit; faulty device. | Confirm the desk's main power cord is plugged in. Unplug some devices to check for overload. Test with a different device. |

If the issue persists after attempting these solutions, please contact customer support.
