Dowinx Fabric Gaming Chair User Manual

Model: 6657K03

Brand: Dowinx

1. INTRODUCTION

Welcome to the user manual for your new Dowinx Fabric Gaming Chair. This chair is designed to provide superior comfort and support for extended periods of gaming, working, or relaxation. Featuring upgraded tech fabric, a unique pocket spring cushion, and a flat seat design, it offers an ergonomic experience tailored to your needs. Please read this manual carefully to ensure proper assembly, operation, and maintenance of your chair.

2. PRODUCT FEATURES

- **Upgraded Tech Fabric Upholstery:** Constructed with advanced tech fabric for enhanced breathability and a soft tactile feel, combining the breathability of cotton-linen with the smoothness of Dutch velvet.
- **Pocket Spring Cushion:** Integrated individually pocketed springs, similar to high-end mattresses, distribute body weight evenly and provide optimal support, relieving pressure on the lower back.
- **Flat Seat Cushion Design:** Eliminates typical side wings to maximize sitting area, allowing for free movement and comfortable positioning without feeling confined.
- **Adjustable Recline:** Recline up to 135 degrees for various activities such as gaming, working, or relaxation.
- **Lumbar Pillow and Headrest:** Provides essential support to reduce strain on the lower back and neck during extended sitting sessions. The lumbar pillow also features a massage function.
- **Retractable Footrest:** Offers additional comfort and support for relaxation.
- **Heavy Duty Base:** Ensures stability and durability.

3. SETUP AND ASSEMBLY

Your Dowinx Fabric Gaming Chair is designed for straightforward assembly. All necessary tools are typically included, and the instructions are easy to follow. Most users can complete the assembly within 1 to 1.5 hours. Please refer to the detailed assembly guide provided in the product packaging for step-by-step instructions and diagrams.

Ensure all components are present before beginning assembly. It is recommended to assemble the chair on a soft, clean surface to prevent scratches or damage.

4. OPERATING INSTRUCTIONS

The Dowinx Fabric Gaming Chair offers several adjustable features to customize your seating experience:

- **Height Adjustment:** Use the lever located under the seat on the right side to adjust the chair's height. Pull the lever up while seated to lower, or pull up while standing to raise.
- **Backrest Recline:** The backrest can be reclined up to 135 degrees. Locate the recline lever on the side of the

chair (typically on the right). Pull the lever up to adjust the angle, then release to lock it in place.

- **Lumbar Support Massage:** The lumbar pillow includes a massage feature. Connect the USB cable from the lumbar pillow to a compatible USB power source (e.g., computer, power bank, or USB wall adapter) to activate the massage function.
- **Retractable Footrest:** Pull the footrest out from under the seat when desired, and push it back in for storage.
- **Swivel Function:** The chair features a 360-degree swivel base for easy movement and access to your surroundings.

5. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Dowinx Fabric Gaming Chair, follow these care guidelines:

- **Cleaning:** Wipe clean with a soft, damp cloth. For tougher stains, use a mild fabric cleaner and test on an inconspicuous area first. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub, as this can spread the stain.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.
- **Inspection:** Periodically check all bolts and screws to ensure they are tight. Re-tighten if necessary.

6. TROUBLESHOOTING

If you encounter any issues with your Dowinx Fabric Gaming Chair, please consider the following common solutions:

- **Chair Squeaks:** Check if all bolts are securely tightened. A small amount of silicone lubricant can be applied to moving parts if the squeaking persists.
- **Height Adjustment Issues:** Ensure the gas lift cylinder is properly installed and not obstructed. If the chair does not raise or lower smoothly, the gas lift may need replacement.
- **Recline Mechanism Not Working:** Verify that the recline lever is fully engaged or disengaged. Check for any obstructions in the mechanism.
- **Wobbly Chair:** Confirm that the base and casters are correctly attached and all screws are tightened. Ensure the chair is on a flat, even surface.

For persistent issues or problems not listed here, please contact Dowinx customer support for assistance.
