3. OPERATING THE COFFEE TABLE

The LCRBOL Coffee Table is designed for ease of use and versatile storage. Its primary function is to provide a stable surface and organized storage within your living area.

Storage Utilization:

- The table features three individual compartments: an open shelf and a fluted drawer.
- Use the open shelf for items you wish to display or access frequently, such as books, decorative items, or a tissue box.
- The fluted drawer provides concealed storage for remotes, snacks, or other items you prefer to keep out of sight, helping to maintain a tidy living space.

4. MAINTENANCE AND CARE

To ensure the longevity and appearance of your LCRBOL Coffee Table, follow these simple care instructions:

- **Cleaning:** Wipe with a dry cloth. For minor spills, use a slightly damp cloth and immediately dry the surface. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Protection:** Use coasters under drinks and placemats under hot items to prevent water rings and heat damage.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Weight Capacity:** Do not exceed the recommended weight capacity of 220 pounds (100 kg) on the tabletop.

5. TROUBLESHOOTING

If you encounter any issues with your LCRBOL Coffee Table, consider the following:

Common Issues & Solutions:

- **Wobbling Table:** Ensure all legs are securely tightened and the table is placed on a flat, even surface. Adjust the leg levelers if necessary.
- **Drawer Sticking:** Check that the drawer slides are properly aligned and free of debris. Lubricate with a silicone-based spray if needed.
- **Color Variation:** The appearance of product colors in photographs may vary due to factors such as lighting conditions, camera settings, and screen displays. The images on our website may not always accurately replicate the product's colors under different lighting conditions. If the product you receive does not meet your color expectations, please contact customer support.

Important Safety Information:

- Always follow the assembly instructions carefully.

- Do not exceed the weight limit of 220 pounds (100 kg).
- Always ensure the table is stable and properly anchored to prevent tipping or collapse.
