# Portable Multifunctional Air Blower User Manual

MODEL: JOPWKUIN60R2XMBN8F

Brand: Jopwkuin

## Introduction

---

Thank you for choosing the Jopwkuin Portable Multifunctional Air Blower. This device is designed for a wide range of applications, from drying surfaces and hair to blowing away debris and cooling electronics. Featuring a powerful brushless high-speed DC motor capable of up to 130,000 RPM, it delivers strong airflow for efficient performance. This manual provides essential information for the safe and effective use of your new air blower.

## Safety Instructions

---

Please read all safety warnings and instructions carefully before using this product to prevent electric shock, fire, or serious injury.

- **General Safety:** Keep the work area clean and well-lit. Do not operate power tools in explosive atmospheres, such as in the presence of flammable liquids, gases, or dust.
- **Electrical Safety:** Avoid body contact with earthed or grounded surfaces. Do not expose power tools to rain or wet conditions.
- **Personal Safety:** Always wear appropriate personal protective equipment, including eye protection, hearing protection, and a dust mask if necessary. Stay alert and use common sense when operating the blower.
- **Tool Use and Care:** Do not force the tool. Use the correct tool for your application. Disconnect the battery pack from the tool before making any adjustments, changing accessories, or storing power tools.
- **Battery Pack Use and Care:** Use only with specified battery packs (BL1815, BL1820, BL1830, BL1840, BL1850, BL1860, BL1845, BL1890). Do not incinerate the battery pack even if it is severely damaged.
- **Maintenance:** Have your power tool serviced by a qualified repair person using only identical replacement parts.

## Package Contents

---

Verify that all items are present and in good condition upon opening the package.

- 1 x Portable Multifunctional Air Blower
- *Note: Battery is not included and must be purchased separately.*

## Product Overview

---

Familiarize yourself with the components of your air blower.

**Figure 1:** Front view of the air blower, showing the main body and air outlet.

This image displays the front of the portable air blower, highlighting its compact design and the circular air outlet where the powerful airflow is generated.

**Figure 2:** Side view of the air blower, illustrating the ergonomic handle and battery slot.

This image shows the side profile of the air blower, emphasizing the textured grip on the handle and the base designed for battery insertion.

**Figure 3:** Close-up of the power trigger.

A detailed view of the black power trigger located on the handle, which controls the blower's operation.

**Figure 4:** Close-up of the internal fan blades.

This image provides a close-up of the black

fan blades visible through the air intake, demonstrating the design responsible for generating high-speed airflow.

## Setup

---

Before first use, ensure the battery is fully charged (if applicable) and properly installed.

- Battery Installation:** Align the compatible 21V Lithium Battery (e.g., BL1815, BL1820, BL1830, BL1840, BL1850, BL1860, BL1845, BL1890) with the battery slot at the base of the blower's handle. Slide the battery firmly into place until it clicks, indicating it is securely locked.
- Battery Removal:** To remove the battery, press the release button(s) on the battery pack (if present) and slide the battery out of the slot.

## Operating Instructions

---

Follow these steps to operate your portable air blower.

- Power On:** Ensure a charged battery is installed. Press and hold the power trigger located on the handle to activate the blower. The blower will start at its lowest speed setting.
- Adjusting Air Speeds:** The blower offers 5 adjustable air speeds, ranging from 8 to 52 m/s. To cycle through the speeds, briefly press the power trigger. Each press will advance to the next speed setting.
- Power Off:** Release the power trigger to turn off the blower.
- Usage Tips:**
  - For delicate tasks like cooling electronics, use lower speed settings.
  - For heavy-duty tasks such as blowing away debris or drying surfaces, utilize higher speed settings.
  - Maintain a safe distance from the object being blown to prevent damage or injury.

## Maintenance

---

Regular maintenance ensures optimal performance and extends the lifespan of your air blower.

- Cleaning:** Regularly wipe the exterior of the blower with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners. Ensure the air intake and outlet are free from dust and debris.
- Storage:** Store the blower in a dry, cool place away from direct sunlight and moisture. Remove the battery pack if storing for extended periods.
- Battery Care:** Follow the manufacturer's instructions for battery charging and storage. Avoid fully discharging the battery frequently.

## Troubleshooting

---

If you encounter issues with your air blower, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Blower does not turn on.	Battery not installed correctly or discharged.	Ensure battery is fully inserted and charged.
Low airflow.	Air intake/outlet blocked; low battery.	Clear any obstructions. Charge or replace battery.

Problem	Possible Cause	Solution
Unusual noise or vibration.	Internal obstruction or damage.	Immediately turn off the blower. Inspect for visible obstructions. If problem persists, contact customer support.

## Specifications

---

Detailed technical specifications for the Jopwkuin Portable Multifunctional Air Blower.

Feature	Specification
Model Name	Jopwkuin60r2xmbn8f
Brand	Jopwkuin
Item Weight	1.91 pounds
Package Dimensions	14.96 x 8.27 x 4.72 inches
Battery Compatibility	For BL1815, BL1820, BL1830, BL1840, BL1850, BL1860, BL1845, BL1890 (21V Lithium Battery)
Speed	5 Gears (8 to 52 m/s)
Maximum Power	1050W
Material	ABS

## Warranty and Support

---

For warranty information or technical support, please refer to the product packaging or contact Jopwkuin customer service through the retailer where the product was purchased. Keep your purchase receipt as proof of purchase.
