RGkuti Farmhouse Dog Crate Furniture

RGkuti Farmhouse Dog Crate Furniture Instruction Manual

Model: Farmhouse Dog Crate Furniture

1. PRODUCT OVERVIEW

The RGkuti Farmhouse Dog Crate Furniture is designed to provide a secure and comfortable space for your dog while also serving as a functional piece of home decor, such as an end table or credenza. Constructed from durable particleboard and steel, it features metal enclosure bars for chew resistance and a sliding barn door for easy access. Key features include:

- **Sturdy Construction:** Made from particleboard and steel for durability and stability.
- **Sliding Barn Door:** Provides convenient access and a stylish aesthetic.
- **Detachable Divider:** Allows for accommodation of one large dog or two smaller dogs.
- **Flip-Top Plate:** Innovative design for interaction and observation.
- **Integrated Storage:** Side compartment for storing pet essentials.

Image 1.1: The RGkuti Farmhouse Dog Crate Furniture, showcasing its design as both a pet enclosure and a functional piece of furniture. A small dog is visible inside, and a lamp and plant are placed on top, demonstrating its use as an end table.

2. COMPONENTS LIST

Before beginning assembly, please ensure all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Top Panel (1)
- Bottom Panel (1)
- Side Panels (2)
- Back Panels (2)
- Sliding Door Assembly (1)
- Detachable Divider (1)
- Hardware Pack (screws, bolts, cam locks, dowels, door track, latch)
- Assembly Tool (Allen wrench)

3. ASSEMBLY INSTRUCTIONS

3.1. Before You Begin

- Read all instructions carefully before assembly.
- Ensure you have enough space and a clean, flat surface for assembly.
- Keep small parts away from children and pets.
- Two people are recommended for easier assembly.

3.2. Step-by-Step Assembly

1. **Attach Side Panels to Bottom Panel:** Use the provided screws and dowels to secure the side panels to the bottom panel. Ensure the pre-drilled holes align.
2. **Install Back Panels:** Slide the back panels into the grooves on the side and bottom panels, then secure with screws.

3. **Attach Top Panel:** Place the top panel onto the assembled structure and secure it using cam locks and screws.
4. **Install Sliding Door Track:** Attach the top and bottom tracks for the sliding door to the front frame.
5. **Insert Sliding Door:** Carefully insert the sliding barn door into the tracks.
6. **Attach Door Handle and Latch:** Secure the handle and latch mechanism to the sliding door and frame.
7. **Install Detachable Divider (Optional):** If using, slide the divider into the designated slots inside the crate.

Image 3.1: An interior view of the dog crate with the detachable divider removed, illustrating the spacious single compartment. A dog figurine is placed inside to show scale.

4. OPERATION

4.1. Sliding Barn Door

To open the door, disengage the latch and gently slide the door along its track to the side. To close, slide the door back into position and engage the latch to secure it.

Image 4.1: The sliding barn door of the dog crate is shown partially open, demonstrating its functionality and the ease of access for a pet.

4.2. Detachable Divider

The internal divider can be installed or removed based on your needs. To install, align the divider with the pre-cut slots inside the crate and slide it down until it is securely in place. To remove, lift the divider upwards from the slots. This allows for flexibility to accommodate one large dog or two smaller dogs.

Image 4.2: The interior of the dog crate with the detachable divider in place, creating two separate compartments suitable for two smaller dogs.

Image 4.3: The interior of the dog crate with the detachable divider removed, illustrating a single, larger space suitable for one medium to large dog.

4.3. Flip-Top Plate

The top panel of the crate features an innovative flip-top plate. To use, gently lift the designated section of the top panel. This allows for direct interaction with your pet or observation without fully opening the main door.

Image 4.4: The flip-top plate on the dog crate furniture is shown in the open position, providing a view into the crate's interior and demonstrating this unique access feature.

5. CARE AND MAINTENANCE

5.1. Cleaning

- Wipe surfaces with a soft, damp cloth.
- Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- For metal parts, use a mild cleaner and dry thoroughly to prevent rust.
- Regularly clean the interior to maintain hygiene for your pet.

5.2. Regular Inspection

- Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary.
- Inspect the sliding door track for any debris and clean if needed to ensure smooth operation.
- Check the metal bars for any signs of damage or wear.

6. TROUBLESHOOTING

Issue	Possible Cause	Solution
Door does not slide smoothly.	Debris in track, loose track, misaligned door.	Clean the track, ensure track screws are tight, check door alignment.
Divider does not fit or is unstable.	Incorrect orientation, debris in slots.	Ensure divider is oriented correctly, clear slots of any obstructions.
Crate feels wobbly or unstable.	Loose fasteners.	Retighten all assembly screws and bolts.
Latch mechanism is stiff or not engaging.	Misalignment, debris, or minor damage.	Check alignment of latch components, clean if necessary.
