RGkuti 38" Heavy Duty Dog Crate Furniture User Manual

MODEL: B0DHS2LXWR

1. INTRODUCTION

Thank you for purchasing the RGkuti 38" Heavy Duty Dog Crate Furniture. This product is designed to serve as a comfortable and secure space for your medium-sized dog, while also functioning as a stylish end table with ample storage. This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new dog crate furniture. Please read it thoroughly before assembly and retain it for future reference.

2. SAFETY INFORMATION

- Always ensure all parts are securely fastened before allowing your pet to use the crate.
- Do not use this product for aggressive or destructive dogs that may damage the crate or injure themselves.
- Ensure the crate size is appropriate for your dog to stand, turn around, and lie down comfortably.
- Keep small children away from the product during assembly to prevent injury from small parts.
- The surface of the crate is smooth and non-toxic, designed to prevent dogs from chewing. However, regular inspection for wear and tear is recommended.
- Do not overload the double-layer desktop to prevent tipping or damage.

3. PACKAGE CONTENTS

Please verify that all components listed below are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Wooden Top Panel (1)
- Wooden Base Panel (1)
- Side Metal Panels (2)
- Sliding Door Metal Panel (1)
- Back Metal Panel (1)
- Double Layer Desktop Shelf (1)
- Lockable Wheels (4)
- Hardware Kit (screws, bolts, Allen wrench, door lock mechanism)

4. SETUP (ASSEMBLY INSTRUCTIONS)

Assembly typically requires one person and takes approximately 30-60 minutes. An Allen wrench is included in the hardware kit. A Phillips head screwdriver (not included) may be helpful for some screws.

1. **Attach Wheels to Base:** Securely screw the four lockable wheels into the designated holes on the underside

of the wooden base panel. Ensure they are tightened for stability.

2. **Assemble Side Panels:** Attach the two side metal panels to the wooden base panel using the provided screws. Ensure the pre-drilled holes align.
3. **Install Back Panel:** Connect the back metal panel to the assembled side panels and base.
4. **Attach Top Panel:** Place the wooden top panel onto the assembled metal frame and secure it with screws.
5. **Insert Sliding Door:** Carefully slide the metal door panel into the top and bottom tracks.
6. **Install Door Lock:** Attach the door lock mechanism to the designated area on the sliding door and frame, ensuring it operates smoothly.
7. **Place Double Layer Desktop Shelf:** Position the double layer desktop shelf onto the top panel, aligning it with the curved sides.
8. **Final Check:** Verify that all screws are tightened and the crate is stable. Test the sliding door and lock mechanism.

TWO SIZES AVAILABLE

Large size suitable for German Shepherds, Labradors, Bernese Mountain Dogs, and other large breeds.

Small size suitable for Border Collies, Corgis, French Bulldogs, and medium-sized and smaller breeds.

5. OPERATING INSTRUCTIONS

- **Sliding Door Operation:** To open the crate, slide the barn-style door along its track. To close, slide it back until it meets the frame.
- **Locking the Door:** Engage the lock mechanism on the sliding door to secure your pet inside. Ensure the lock is fully engaged to prevent accidental opening.
- **Using Lockable Wheels:** The crate is equipped with four lockable wheels. To move the crate, ensure all wheels are unlocked. To keep the crate stationary, press down on the lever on each wheel to engage the lock. To unlock, lift the lever.
- **Double Layer Desktop:** Utilize the double-layer desktop for storing pet supplies, displaying decorative items, or holding personal belongings. The curved sides help prevent items from falling off.

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe down the wooden and metal surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability and safety.
- **Wheel Maintenance:** Keep the wheels free of debris to ensure smooth movement.
- **Indoor Use:** While durable, this product is primarily designed for indoor use. Prolonged exposure to outdoor elements may reduce its lifespan.

7. TROUBLESHOOTING

- **Crate is Wobbly:** Ensure all screws and bolts are fully tightened. Check that the crate is on a flat, even surface.
- **Sliding Door Sticks:** Check the tracks for any obstructions or debris. Ensure the door is properly aligned within the tracks. A small amount of silicone spray (not oil-based) can be applied to the tracks if needed, but avoid contact with pet.
- **Wheels Not Locking:** Ensure the locking lever on each wheel is fully pressed down. Check for any debris preventing the lock mechanism from engaging.
- **Missing Parts:** If any parts are missing upon unboxing, refer to the Package Contents section and contact customer support immediately.

8. SPECIFICATIONS
