# Homary Modern Lighted Nightstand with Wireless Charging Station

Model: JJT572813H

Brand: homary

## 1. PRODUCT OVERVIEW

The Homary Modern Lighted Nightstand is designed to enhance your bedroom or living space with its contemporary features and aesthetic. This smart bedside table integrates a wireless charging station, motion sensor LED lighting, and practical storage solutions.

Key features include:

- **Wireless Charging Station:** Conveniently charge compatible devices without cables.
- **Motion Sensor LED Light:** Provides subtle illumination upon detecting movement, ideal for nighttime use.
- **Acrylic Shelves & Leather Drawer:** Offers both open display and concealed storage options.
- **Durable Construction:** Features stainless steel legs for stability and longevity.

## 2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- This product requires assembly using a screwdriver.
- Keep small parts away from children during assembly.
- Do not exceed the weight limit of 43 pounds (19.5 kg) on the nightstand.
- Assemble and anchor the product properly to prevent tipping or collapse.
- This product is intended for adult use only.

## 3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged,

please contact customer support.

- Nightstand Frame (Acrylic and Stainless Steel)
- Leather Drawer Assembly
- Wireless Charging Module
- Motion Sensor LED Light
- Assembly Hardware (screws, connectors, etc.)
- Assembly Guide

#### **4. ASSEMBLY INSTRUCTIONS**

Follow the included Assembly Guide for detailed, step-by-step instructions. A screwdriver is recommended for assembly.

1. Unpack all components and verify against the package contents list.
2. Attach the stainless steel legs to the acrylic frame using the provided hardware. Ensure all connections are secure.
3. Install the drawer slides into the designated slots within the frame.
4. Insert the leather drawer into the installed slides.
5. Connect the wireless charging module and motion sensor LED light according to the wiring diagram in the Assembly Guide.
6. Place the nightstand in its desired location, ensuring it is stable and level.

## 5. OPERATING INSTRUCTIONS

### 5.1 Wireless Charging Station

The nightstand features a built-in wireless charging pad on its top surface. To use this feature:

1. Ensure the nightstand is connected to a power source.
2. Place your wireless-compatible device (e.g., smartphone) directly onto the designated charging area on the nightstand's top surface.
3. The device should indicate that it is charging. If not, adjust its position on the pad.

## 5.2 Motion Sensor LED Light

The integrated motion sensor LED light provides automatic illumination for convenience, especially during the night.

- The LED light is located beneath the drawer.
- It will automatically activate when motion is detected within its sensor range.
- The light will typically remain on for approximately 30 seconds after motion ceases, then turn off automatically.

## Comfortable storage space

1 solid wood drawer  
700kg/m<sup>3</sup>

2 compartments

Easy to take

### 5.3 Drawer Operation

The nightstand includes a smooth-gliding drawer for concealed storage.

- To open, gently pull the drawer front.
- To close, push the drawer until it is fully seated.
- The drawer is upholstered in faux leather and features smooth operation for easy access to your belongings.

## 6. MAINTENANCE

Proper care will ensure the longevity and appearance of your nightstand.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the acrylic, faux leather, or metal finishes.
- **Spills:** Clean spills immediately to prevent staining, especially on the faux leather drawer.
- **Wireless Charging Pad:** Keep the charging area clean and free of debris to ensure optimal charging performance.
- **Stability:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary.

## 7. TROUBLESHOOTING

If you encounter issues with your nightstand, refer to the following common solutions:

- **Wireless Charging Not Working:**
  - Ensure the nightstand is plugged into a functional power outlet.
  - Verify your device is wireless charging compatible.
  - Adjust the position of your device on the charging pad.
  - Remove any thick phone cases that might interfere with charging.
- **Motion Sensor LED Not Activating:**
  - Check if the nightstand is powered on.
  - Ensure the sensor is not obstructed.
  - Test the sensor by moving within its detection range.
- **Drawer Sticking or Not Sliding Smoothly:**
  - Check for any obstructions inside the drawer or along the slides.

- Ensure the drawer slides are properly aligned and secured.
- Lightly lubricate the drawer slides if necessary (use a silicone-based lubricant).

- **Nightstand Wobbles:**

- Ensure the nightstand is on a flat, even surface.
- Check and tighten all assembly screws, especially those connecting the legs.
