## TUDIA MergeGrip for NUU X7 Plus

# TUDIA MergeGrip Protective Case User Manual

For NUU X7 Plus

### 1. PRODUCT OVERVIEW

The TUDIA MergeGrip case is engineered to provide robust protection for your NUU X7 Plus smartphone. Featuring a dual-layer design and ToughRhino Technology, this case offers military-grade drop protection while maintaining a slim profile and enhanced grip.

**Figure 1.1:** TUDIA MergeGrip case installed on a NUU X7 Plus phone. The image highlights the case's black color, textured back for

grip, and precise fit around the device.

## 2. KEY FEATURES

- **Compatibility:** Specifically designed for the NUU X7 Plus only.
- **Drop Tested:** Certified military-grade protection with ToughRhino Technology for dual-layer defense against drops and scratches.
- **Raised Edge Protection:** Elevated lips around the camera and screen safeguard against direct surface contact.
- **Enhanced Grip:** Non-slip textured design on both sides and the back provides a secure hold.
- **Precise Design:** Accurate cutouts ensure seamless access to ports and buttons.

**Figure 2.1:** Illustration of the case's military-grade drop test certification, highlighting its ability to withstand multiple drops from 4 feet.

**Figure 2.2:** The textured surface on the sides and back of the case provides an enhanced, secure, and comfortable grip, reducing the chance of accidental slips.

**Figure 2.3:** The case features raised edges around the screen (0.06 inches) and camera (0.08 inches) to prevent direct contact with flat surfaces, protecting against scratches and impacts.

**Figure 2.4:** Precision-engineered cutouts ensure full and easy access to all ports, speakers, and buttons, allowing for hassle-free charging and usage.

### 3. INSTALLATION

Installing the TUDIA MergeGrip case is a straightforward process:

1. Ensure your NUU X7 Plus phone is clean and free of dust or debris.
2. Align the phone with the case, starting with the top or bottom edge.
3. Gently press the phone into the case, ensuring all corners snap securely into place.
4. Verify that all buttons and ports are properly aligned with the case's cutouts.

## 4. OPERATING AND USAGE

Once installed, the TUDIA MergeGrip case allows for full functionality of your NUU X7 Plus:

- **Button Access:** The case features tactile button covers that maintain the responsiveness of your phone's power and volume buttons.
- **Port Access:** Precision cutouts provide unobstructed access to the charging port, headphone jack (if applicable), and speakers.
- **Wireless Charging:** The slim design of the case does not interfere with wireless charging capabilities (if your device supports it).

## 5. MAINTENANCE

To keep your TUDIA MergeGrip case in optimal condition:

- Clean the case regularly with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the material.
- Remove the case periodically to clean any dust or debris that may accumulate between the phone and the case.

## 6. TROUBLESHOOTING

Most issues with a phone case are minor. If you encounter any problems:

- **Case doesn't fit:** Ensure you have the correct model (NUU X7 Plus). This case is specifically designed for this model.
- **Buttons are stiff:** Ensure the phone is properly seated within the case. Remove and re-install the case, making sure it snaps into place evenly.
- **Charging port blocked:** Verify that the phone is fully inserted into the case and that no debris is obstructing the port.

## 7. SPECIFICATIONS
