

Z9

SANAG Z9 Wireless Waterproof On-Ear Sports Headphones User Manual

Model: Z9

1. PRODUCT OVERVIEW

The SANAG Z9 Wireless Waterproof On-Ear Sports Headphones are designed for active lifestyles, offering wireless connectivity, a waterproof design, and comfortable wear. This manual provides instructions for setup, operation, maintenance, and troubleshooting.

Image: SANAG Z9 headphones resting in their open charging case. The earbuds display digital battery indicators, with one showing "100" and the other showing battery bars, indicating charge status. The case and headphones are a light pink color.

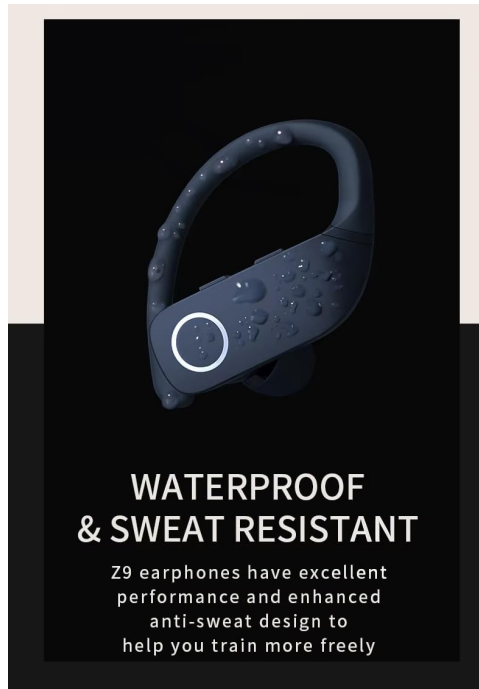

Image: A single SANAG Z9 headphone, dark in color, covered in water droplets. This image highlights the product's waterproof and sweat-resistant capabilities, making it suitable for sports and outdoor activities.

2. PACKAGE CONTENTS

Ensure all items are present in the package:

- SANAG Z9 Headset
- Charging Case
- Multi-Size Eartips
- Type-C Charging Cable
- User Manual (this document)
- Packing Box

3. SETUP GUIDE

3.1 Initial Charging

Before first use, fully charge the headphones and the charging case.

1. Connect the provided Type-C charging cable to the charging port on the case.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The indicator lights on the case and headphones will show charging status. Once fully charged, the indicators will change or turn off.

3.2 Pairing with a Device

The SANAG Z9 headphones use Bluetooth technology for wireless connection.

1. Ensure the headphones are charged and within range of your device (e.g., smartphone, tablet).
2. Open the charging case. The headphones will automatically enter pairing mode, indicated by a flashing light (refer to specific light patterns in the operating section).
3. On your device, go to Bluetooth settings and turn Bluetooth on.
4. Search for available devices. Select "SANAG Z9" from the list.
5. Once connected, a voice prompt will confirm successful pairing, and the indicator light will stop flashing.

4. OPERATING INSTRUCTIONS

4.1 Wearing the Headphones

The SANAG Z9 features an on-ear design with a sports non-slip earhook for secure fit.

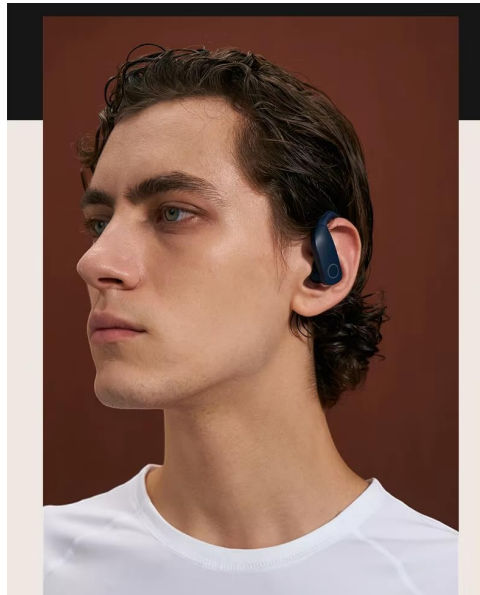

1. Identify the left (L) and right (R) headphones.
2. Gently place the earbud into your ear canal and position the earhook over your ear for a snug and comfortable fit.
3. Adjust the earhook as needed to ensure stability during physical activity.

TOUCHABLE DESIGN

The redesigned touch design brings an excellent exercise experience, and no matter how high the exercise intensity is, it is easy to cut songs and answer calls.

SPORTS NON-SLIP EARHOOK

Medical-grade silicone earhooks, self-adapting to ear contours, with earplugs of different sizes, making it more comfortable to wear

Image: A man wearing a dark SANAG Z9 headphone, showcasing the medical-grade silicone earhooks. This image illustrates how the earhooks self-adapt to ear contours and, combined with different earplug sizes, provide a comfortable and secure fit for sports.

4.2 Touch Controls

The SANAG Z9 headphones feature intuitive touch controls on the earcup:

Function	Action
Play/Pause Music	Single tap on either earbud
Next Track	Double tap on the right earbud
Previous Track	Double tap on the left earbud
Answer/End Call	Single tap on either earbud during an incoming call
Reject Call	Press and hold either earbud for 2 seconds during an incoming call
Activate Voice Assistant	Triple tap on either earbud
Volume Up	Press and hold the right earbud
Volume Down	Press and hold the left earbud

5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and performance of your SANAG Z9 headphones.

- **Cleaning:** Wipe the headphones and charging case with a soft, dry, lint-free cloth. For stubborn dirt, slightly dampen the cloth with water. Do not use harsh chemicals or abrasive materials.
- **Water Exposure:** While IPX7 waterproof, avoid prolonged submersion in water. Dry the headphones thoroughly after exposure to sweat or splashes before placing them back in the charging case to prevent damage to charging contacts.
- **Storage:** Store the headphones in their charging case when not in use to protect them from dust and physical damage. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To preserve battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not used for extended periods.

6. TROUBLESHOOTING

If you encounter issues with your SANAG Z9 headphones, refer to the following common solutions:

Problem	Possible Cause / Solution
Headphones not turning on	Battery is low. Place headphones in the charging case and charge fully.
Cannot pair with device	Ensure Bluetooth is enabled on your device. Make sure headphones are in pairing mode (flashing indicator). Move headphones closer to your device. Forget "SANAG Z9" from your device's Bluetooth list and try pairing again. Restart both headphones and your device.
No sound or low volume	Adjust volume on both headphones and your device. Ensure headphones are properly connected to your device. Check if the audio source is playing.

Problem	Possible Cause / Solution
Intermittent connection / audio drops	Move closer to your device; avoid obstacles. Avoid strong electromagnetic interference. Ensure headphones are fully charged.

If the problem persists, please contact customer support.
