# Bestier 47.6 Inch Fluted Computer Writing Desk

MODEL: H105860G-BWHT

Brand: Bestier

## INTRODUCTION

Thank you for choosing the Bestier 47.6 Inch Fluted Computer Writing Desk. This versatile piece of furniture, featuring chic fluted white drawer panels and elegant gold handles, is designed to enhance your home office, bedroom, or vanity area. Its robust construction and thoughtful design provide both functionality and style. This manual provides essential information for assembly, operation, maintenance, and troubleshooting to ensure a satisfactory experience with your new desk.

## SAFETY INFORMATION

**WARNING: Be cautious when using a power drill or power screwdriver. Slow down and stop when the screw is nearly tight to prevent damage. Push, pull, or drag this item carefully to avoid structural damage or injury.**

## PACKAGE CONTENTS

Your Bestier desk package includes:

- All necessary furniture components (panels, legs, drawers)
- Assembly Guide
- Installation Tool (Hex Key)
- All required hardware (screws, dowels, cam locks, drawer slides, adjustable feet)

Please verify all components are present and undamaged before beginning assembly. A screwdriver is recommended for assembly (not included).

## SETUP AND ASSEMBLY

Setting up your Bestier desk is designed to be straightforward. Follow the detailed instructions provided in the

assembly guide. All parts are labeled, and holes are pre-drilled for ease of installation. We recommend having two people for assembly to ensure stability and prevent damage.

## MAINTENANCE

To maintain the appearance and longevity of your Bestier desk, follow these simple care instructions:

- Wipe surfaces with a damp cloth for general cleaning.
- Follow with a dry cloth to remove any moisture and prevent water spots.
- Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- Protect the tabletop from scratches by using coasters or desk pads, especially when placing heavy or sharp objects.

## TROUBLESHOOTING

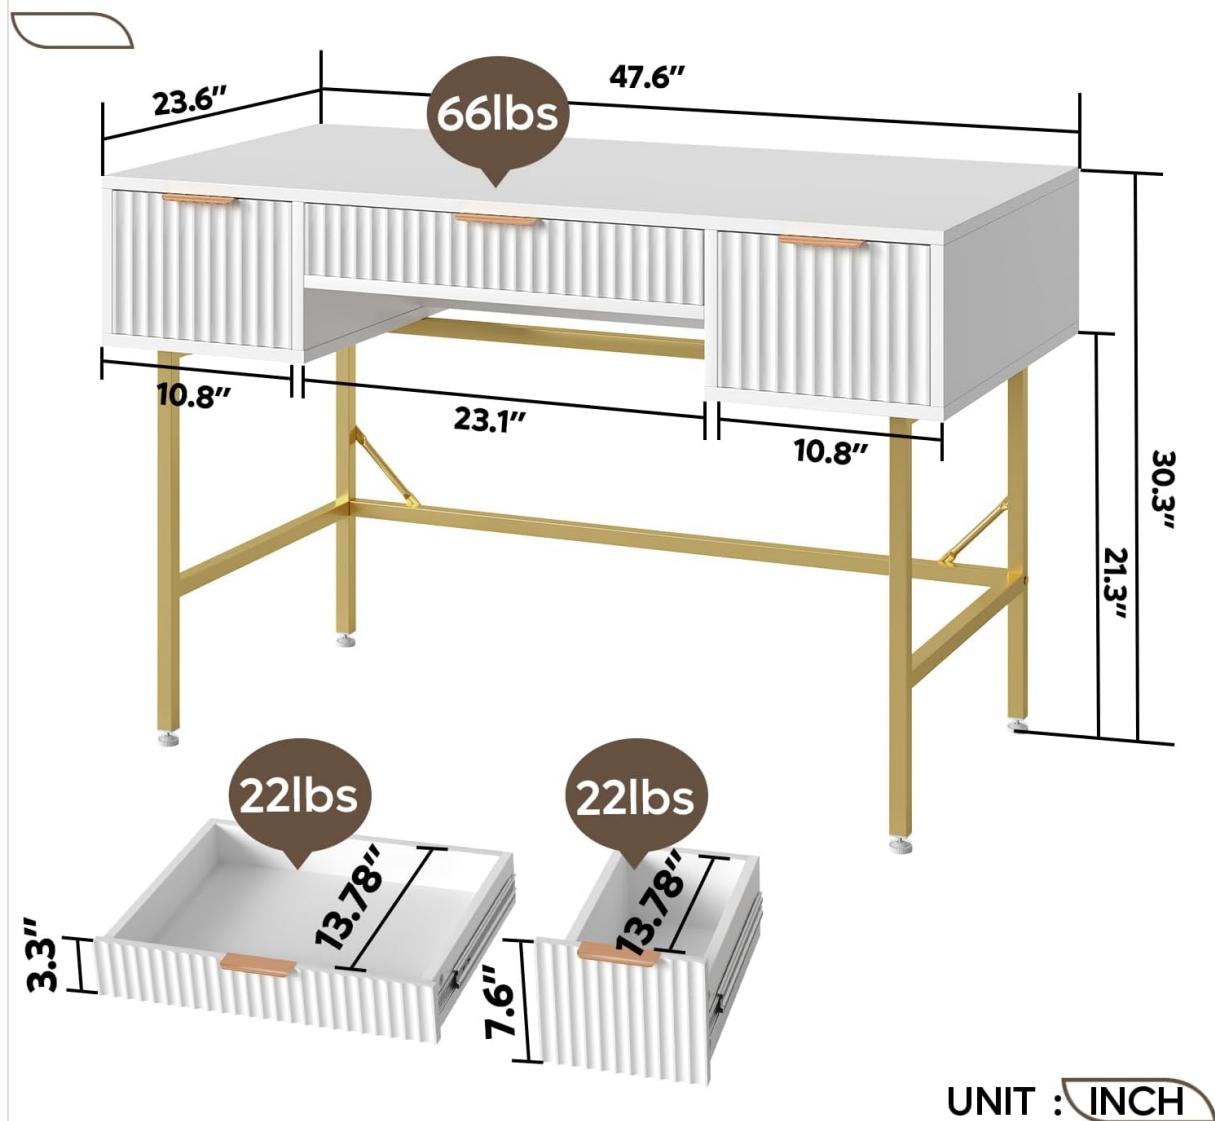

Issue	Possible Cause	Solution
Desk feels unstable or wobbly.	Uneven floor surface; loose connections; weak leg structure.	Adjust the leveling feet on the bottom of the legs. Ensure all screws and bolts are tightened securely. If moving the desk, lift it completely rather than dragging to prevent bending the legs.

Issue	Possible Cause	Solution
Drawers do not slide smoothly.	Improper installation of drawer slides; obstruction in the tracks.	Recheck the installation of the drawer slides according to the assembly guide. Ensure no debris is blocking the tracks.
Chipped or damaged parts upon arrival.	Shipping damage; manufacturing defect.	Contact Bestier customer support immediately with photos of the damage for assistance with replacement parts.
Missing assembly instructions.	Packaging error.	Refer to the official assembly video provided or contact customer support for a digital copy of the instructions.
