4. OPERATING INSTRUCTIONS

4.1. LED Lights Operation

The integrated LED lights offer customizable illumination for your workspace. Refer to the specific instructions included with your desk for detailed guidance on connecting and controlling the LED lights.

- **Power Connection:** Ensure the LED light strip is properly connected to a power source as indicated in the assembly guide.
- **Control Methods:** The LED lights can typically be controlled via a dedicated remote control, a mobile application, or integrated buttons.
- **Customization:** Adjust colors, brightness levels, and lighting modes to suit your preference or activity.

4.2. Power Outlets and USB Ports

The desk features a built-in charging station for convenient power access.

- **AC Outlets:** Use the two standard AC outlets to power your computer, monitor, or other electronic devices.
- **USB Ports:** The two USB ports are suitable for charging smartphones, tablets, and other USB-powered devices.
- **Safety:** Always ensure devices are compatible with the power output of the outlets and avoid overloading the circuit.

5. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your MMask L-Shaped Desk W69241.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

- **Avoid Excessive Weight:** Do not place excessively heavy items on the desk or shelves beyond their intended capacity.
- **Heat and Moisture:** Protect the desk from direct sunlight, extreme temperatures, and excessive moisture. Use coasters for drinks.

6. TROUBLESHOOTING

If you encounter any issues with your MSmask L-Shaped Desk W69241, refer to the following common troubleshooting tips:

- **Desk Wobbles:** Ensure all assembly screws are securely tightened. Check that the desk is on a level surface; adjust leveling feet if present.
- **LED Lights Not Working:** Verify that the power adapter is correctly plugged into both the LED strip and a functional wall outlet. Check for any loose connections in the wiring. If using a remote, ensure batteries are functional.
- **Power Outlets Not Functioning:** Confirm the desk's main power cord is securely plugged into a live wall outlet. Check if the power strip has a reset button (often red) and press it if tripped. Test the wall outlet with another device.
- **Missing Parts:** If you find any parts missing during assembly, please contact customer support immediately with your purchase information.
