adidas A430

adidas Basic Sport Polo A430 User Manual

Model: A430

INTRODUCTION

This manual provides essential information for the proper care and maintenance of your adidas Basic Sport Polo A430. Designed for comfort and performance, this polo features 100% recycled polyester pique fabric with a hydrophilic finish, a rib-knit collar, and a three-button placket. It also offers UPF protection.

SETUP AND FIRST USE

Before wearing your new adidas Basic Sport Polo for the first time, it is recommended to wash it according to the care instructions provided in the Maintenance section. This helps to remove any manufacturing residues and ensures optimal comfort.

OPERATING (WEARING)

The adidas Basic Sport Polo is designed for active use and casual wear. Its moisture-wicking properties (hydrophilic finish) help keep you dry and comfortable. The three-button placket allows for adjustable ventilation. The UPF protection helps shield you from harmful UV rays during outdoor activities.

MAINTENANCE AND CARE

Proper care extends the life and performance of your polo. Always refer to the care label inside the garment for specific instructions. General guidelines include:

- **Washing:** Machine wash cold with like colors. Use a gentle cycle.
- **Detergent:** Use mild detergent. Do not use fabric softeners, as they can impair the moisture-wicking properties.
- **Bleaching:** Do not bleach.
- **Drying:** Tumble dry low or hang dry for best results. Remove promptly from dryer.
- **Ironing:** Cool iron if necessary, avoiding any printed or embroidered logos. Do not iron directly on the adidas logo.
- **Dry Cleaning:** Do not dry clean.

TROUBLESHOOTING COMMON ISSUES

- **Fading Color:** To minimize fading, wash with cold water and avoid direct prolonged exposure to strong sunlight when drying.
- **Shrinking:** This polo is made from recycled polyester, which is generally resistant to shrinking. Always tumble dry on low heat or air dry to prevent any potential heat-induced changes.
- **Pilling:** To reduce pilling, wash the garment inside out and avoid abrasive surfaces.

SPECIFICATIONS

Feature	Detail
Model Number	A430
Material	100% Recycled Polyester Pique
Finish	Hydrophilic
Collar	Rib Knit
Placket	Three Button
Sleeve Type	Short Sleeve
Neck Style	Collared Neck
