ASSEMBLY INSTRUCTIONS

Assembly typically requires two people. Please follow these steps carefully.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a

clean, soft surface to prevent scratches. Refer to the package contents list to ensure all parts are present.

2. **Assemble Desk Frame:** Attach the metal desk legs to the desk top panel using the provided screws and Allen wrench. Ensure all connections are secure but do not overtighten initially.
3. **Install Drawers:** Slide the wooden drawers into their designated slots in the desk top panel. Ensure they glide smoothly.
4. **Attach Foldable Countertop:** Secure the foldable countertop extension to the side of the desk using the hinge mechanism and screws. Test its folding and unfolding action.
5. **Install Hair Dryer Rack:** Attach the hair dryer rack to the designated location on the side of the desk using the provided hardware.
6. **Assemble Stool:** Attach the metal stool legs to the stool seat cushion using the provided screws. Ensure the stool is stable.
7. **Final Tightening:** Once all components are assembled, carefully go back and tighten all screws and bolts on both the desk and stool to ensure maximum stability.

OPERATING INSTRUCTIONS

Your vanity desk is designed with several functional features:

- **Foldable Countertop:** The side countertop can be expanded when additional space is needed and folded down to make the desk more compact. Gently lift or lower the extension, ensuring the support mechanism is engaged.

CARE AND MAINTENANCE

To maintain the appearance and longevity of your vanity desk:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining.
- **Inspection:** Periodically check all fasteners and re-tighten if necessary to ensure stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration.

TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions:

- **Desk or Stool is Wobbly:** Ensure all screws and bolts are fully tightened. Check that the desk and stool

are on a level surface. Adjust floor glides if present.

- **Drawers Do Not Slide Smoothly:** Verify that the drawer slides are correctly aligned and free of obstructions. Ensure the drawers are inserted properly.
- **Power Strip Not Working:** Check if the power cord is securely plugged into a functional wall outlet. Ensure the wall outlet itself is receiving power. Avoid overloading the power strip.
- **Missing Parts:** If any parts were missing upon unboxing, please contact KAI-ROAD customer support with your purchase details.
