

Lamshaw 22mm Silicone Sport Watch Band

Lamshaw 22mm Silicone Sport Watch Bands Instruction Manual

For OUKITEL Smart Watch Models: BT10, BT12, BT20, BT80, BT101, BT103

1. INTRODUCTION

This instruction manual provides essential information for the proper installation, use, and maintenance of your Lamshaw 22mm Silicone Sport Watch Bands. These bands are designed for compatibility with various OUKITEL Smart Watch models, including BT10, BT12, BT20, BT80, BT101, and BT103. Please read this manual thoroughly to ensure optimal performance and longevity of your product.

2. PRODUCT FEATURES

- **Compatibility:** Specifically designed for OUKITEL Smart Watch models BT10, BT12, BT20, BT80, BT101, and BT103.
- **Material:** Crafted from premium soft silicone (silicagel) for a comfortable and flexible wearing experience.
- **Breathable Design:** Features massive perforations to enhance breathability and ventilation, promoting quick drying and comfort during sports or active use.
- **Durability:** Lightweight, sweat-resistant, and designed for daily wear.
- **Adjustable Fit:** Precise multiple hole design allows for easy adjustment to suit various wrist sizes, fitting 6.2 to 8.6 inches (160mm to 220mm).
- **Secure Clasp:** Equipped with a durable metal buckle for secure fastening.

## Available Length

Precise multiple holes design, let you adjust to suitable length.

**Fits 6.2"–8.6" (160mm -220mm)**

Figure 2.2: This diagram illustrates the adjustable length of the watch band, suitable for wrist sizes ranging from 6.2 to 8.6 inches (160mm to 220mm). The precise multiple hole design allows for a customized and comfortable fit.

### 3. PACKAGE CONTENTS

Your package includes:

- Lamshaw 22mm Silicone Sport Watch Bands (3-Pack: Black, Gray, Green)

### 4. INSTALLATION GUIDE

Follow these steps to attach the watch band to your OUKITEL Smart Watch:

1. Locate the quick-release pins on the back of each watch band segment.
2. Align one end of the quick-release pin with the lug hole on one side of your smartwatch.
3. Pull the quick-release lever inward to retract the pin, then position the other end of the pin into the opposite lug hole.

4. Release the lever to secure the pin in place. Gently tug on the band to ensure it is firmly attached.
5. Repeat the process for the second band segment.

Video 4.1: This video provides a visual overview of the Lamshaw breathable sports silicone smartwatch strap, showcasing its various color options, perforated design, and how it looks when attached to a smartwatch and worn on the wrist. It highlights the material's flexibility and comfort.

## 5. WEARING AND ADJUSTMENT

---

To wear and adjust your watch band:

1. Place the smartwatch on your wrist.
2. Thread the end of the band through the metal buckle.
3. Insert the buckle pin into one of the perforated holes that provides a comfortable and secure fit. The band should be snug but not overly tight, allowing for proper blood circulation and sensor readings.
4. Secure the excess band length using the keeper loop.

# Newest Design Watch Band

Soft to Wear Daily

# SOFT & DURABLE

The band is flexible for  
ideal comfort Good flexibility

Figure 5.2: The image highlights the soft and durable nature of the silicone band, showcasing its flexibility and comfortable feel when worn on the wrist.

## 6. CARE AND MAINTENANCE

---

To maintain the quality and appearance of your silicone watch bands:

- **Cleaning:** Regularly clean the band with mild soap and water. Rinse thoroughly and dry with a soft cloth. Avoid harsh chemicals or abrasive materials.
- **Drying:** Ensure the band is completely dry before reattaching it to your smartwatch or wearing it, especially after sweating or exposure to water.
- **Storage:** Store the bands in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Avoid Contact:** Minimize contact with oils, lotions, and perfumes, as these can affect the silicone material over time.
