TOZO T11129

TOZO ColorPods Wireless Earbuds User Manual

Model: T11129

1. Introduction

The TOZO ColorPods are advanced wireless earbuds designed to provide a superior audio experience with integrated smart features. They combine active noise cancellation, clear call technology, and a unique touch screen charging case for intuitive control and enhanced functionality. This manual provides comprehensive instructions for setting up, operating, maintaining, and troubleshooting your ColorPods.

2. What's in the Box

Ensure all the following items are present in your package:

- TOZO ColorPods Active Noise Cancelling Earbuds
- Charging Case with 1.47" LCD Touch Screen
- 6 Pairs of Eartips (XS/S/M/L/XL/XXL)
- USB A to USB C Charging Cable
- Quick Guide & User Manual

3. Setup & First Use

3.1 Initial Charging

Before first use, fully charge the charging case and earbuds. Connect the provided USB A to USB C charging cable to the charging case and a compatible power source. The LCD screen will indicate the charging status.

3.2 Eartip Selection

For optimal sound quality and comfort, select the eartips that best fit your ears. Six different sizes (XS/S/M/L/XL/XXL) are included to ensure a personalized and secure fit.

Image: The ergonomic design of the TOZO ColorPods ensures a superior comfort fit for prolonged wear.

3.3 Pairing with Your Device

The ColorPods feature one-step pairing for effortless connection. Simply open the charging case, and the earbuds will automatically enter pairing mode. On your smartphone, tablet, or laptop, enable Bluetooth and select "TOZO ColorPods" from the list of available devices. Once connected, the earbuds are ready for use.

4. Operating Your ColorPods

4.1 Charging Case Functions

The integrated 1.47-inch LCD touch screen on the charging case provides direct control over various functions:

- **Music Control:** Play, pause, skip tracks directly from the case.
- **Audio Adjustment:** Manage volume and sound modes.
- **Noise-Cancelling Mode:** Switch between Active Noise Cancellation (ANC), Transparency Mode, and Normal Mode.
- **Offline Playback:** Utilize the 400MB internal storage for music playback without a connected device.
- **Built-in Flashlight:** A convenient utility feature.
- **Find-My-Headphone:** Locate misplaced earbuds.
- **Switch Wallpapers:** Personalize the screen's appearance.

4.2 Earbud Audio Features

- **Superior Noise Cancellation:** Equipped with 4 built-in microphones, the earbuds offer both Active Noise

Cancellation (ANC) and Environmental Noise Cancellation (ENC) for crystal clear sound and calls.

- **Deep Bass & Stereo Sound:** 10mm audio drivers deliver rich and powerful sound with deep bass.
- **Spatial Audio Effect:** Experience immersive sound with dedicated Music, Game, and Movie modes.

Image: Enjoy crystal-clear calls with dual-mic noise cancellation, ensuring your voice is heard loud and clear.

4.3 TOZO APP Compatibility

Enhance your experience by connecting to the TOZO app. The app allows you to:

- Adjust bass levels and music style.
- Select from 32 preset EQ modes or customize your own.
- Share customized EQs with others in the exclusive 'EQ Zone'.
- Customize touch controls for the earbuds.
- Change charging case wallpapers and screen settings.

Image: Customize your user experience with the TOZO app, offering personalized settings and updates.

5. Maintenance & Care

5.1 Water Resistance

The TOZO ColorPods earbuds are IPX6 waterproof, making them suitable for workouts and outdoor activities. This rating means they are protected against high-pressure water jets from any direction. However, they are not designed for submersion in water.

5.2 Battery Life

The 600mAh charging case provides significant power, allowing you to charge your earbuds up to four times. This translates to approximately 530 songs playback or 38 meetings running on a full charge, ensuring continuous usage throughout the day. The case supports USB-C fast charging.

Image: With long-lasting 38H battery life, TOZO ColorPods ensure you're always connected and free from distractions.

5.3 General Care

To ensure the longevity of your ColorPods, keep them clean and dry. Avoid exposing them to extreme temperatures or harsh chemicals. Regularly clean the eartips and charging contacts with a soft, dry cloth.

6. Troubleshooting

6.1 Common Issues

- **Earbuds not pairing:** Ensure Bluetooth is enabled on your device and the earbuds are in pairing mode.
- **No sound from one earbud:** Place both earbuds back in the case, close it, and then reopen to reset the connection.
- **Charging issues:** Check the USB-C cable and power source. Ensure charging contacts on earbuds and case are clean.

6.2 One-Key Reset

If you encounter persistent issues, perform a one-key reset. Refer to the Quick Guide included in your package for specific instructions on how to perform this reset.
