

## HiTune S3

# AE-SMART HiTune S3 Wireless Earbuds User Manual

Model: HiTune S3 (PC2-1005007145786996-001)

## 1. INTRODUCTION

---

Thank you for choosing the AE-SMART HiTune S3 Open Ear Clip Wireless Earbuds. This manual provides detailed instructions on how to set up, operate, and maintain your earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before using the product and retain it for future reference.

## 2. SAFETY INFORMATION

---

To prevent damage to your device or injury to yourself or others, please observe the following precautions:

- Do not expose the earbuds or charging case to extreme temperatures, humidity, or liquids.
- Avoid dropping, impacting, or disassembling the device.
- Keep out of reach of children and pets.
- Use only the provided charging cable and a certified power adapter.
- Do not use the earbuds at excessively high volumes for prolonged periods to prevent hearing damage.

## 3. PACKAGE CONTENTS

---

Please check the package for the following items:

- AE-SMART HiTune S3 Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual

## 4. PRODUCT OVERVIEW

---

### 4.1 Earbuds and Charging Case

Image: AE-SMART HiTune S3 Wireless Earbuds in their charging case. The case is black and oval-shaped, with the earbuds nestled inside. The earbuds are also black with a sleek, ergonomic design, featuring an open-ear clip style.

The HiTune S3 earbuds are designed for comfort and secure fit with an open-ear clip design, making them suitable for sports and extended wear. The compact charging case provides protection and recharges the earbuds on the go.

## 4.2 Key Features

- **Open Ear Clip Design:** Ensures comfort and awareness of surroundings.
- **Bluetooth Connectivity:** Stable wireless connection for audio streaming.
- **Integrated Microphone:** For hands-free calls.
- **Lightweight:** Each earbud weighs approximately 5.2g for comfortable wear.
- **Long Battery Life:** Up to 7.5 hours on a single charge, with total 30 hours using the charging case.
- **Low Latency:** Optimized for gaming and video synchronization.
- **AI Environmental Noise Cancellation:** Enhances call clarity.

## 5. SETUP

---

### 5.1 Charging the Earbuds and Case

Image: An illustration showing the battery life and fast charging capabilities. It indicates 15 minutes of charging provides 2 hours of playtime, 7.5 hours for a single earbud, and 30 hours of total battery life with the charging compartment.

1. Place the earbuds into the charging case, ensuring they are correctly seated.
2. Connect the USB charging cable to the charging port on the case and the other end to a USB power adapter (not included) or a computer's USB port.
3. The indicator light on the charging case will show the charging status. A full charge typically takes approximately 1.5 hours for the case and earbuds.
4. A 15-minute quick charge can provide up to 2 hours of playtime.

### 5.2 Pairing with Your Device

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode, and an indicator light on the earbuds will flash.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.
4. Search for "HiTune S3" in the list of available Bluetooth devices.
5. Select "HiTune S3" to connect. Once connected, the indicator light on the earbuds will turn off, and you will hear a confirmation tone.
6. The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

## 6. OPERATING INSTRUCTIONS

---

### 6.1 Wearing the Earbuds

Image: A woman with her eyes closed, seemingly enjoying music, wearing the black open-ear clip earbuds. The image highlights the comfortable fit and the concept of "360° Panoramic Sound Headset" with sound wave graphics around her head.

Gently clip the earbuds onto your ears, ensuring the speaker part is positioned correctly over your ear canal for optimal sound. Adjust the ear hook for a secure and comfortable fit.

## 6.2 Touch Controls

The HiTune S3 earbuds feature touch-sensitive controls on each earbud. The specific functions may vary slightly depending on your device and application.

Action	Function
Single Tap (Left/Right)	Play/Pause Music, Answer/End Call
Double Tap (Right)	Next Track
Double Tap (Left)	Previous Track
Triple Tap (Left/Right)	Activate Voice Assistant
Long Press (2 seconds)	Reject Call

## 6.3 Low Latency Mode

Image: A smartphone displaying a racing game, with the HiTune S3 earbuds positioned in front. Text overlay highlights "Low latency" and "Stable and accurate audio and video synchronization ensures a more enjoyable gaming and audio-visual experience," along with "0.06S".

The HiTune S3 earbuds offer a low latency mode, ideal for gaming and video playback, ensuring minimal delay between audio and video. This mode is typically activated automatically when a low-latency connection is detected or can be toggled via specific touch gestures (refer to your device's settings or earbud app if available).

## 6.4 AI Environmental Noise Cancellation (ENC)

Image: A man sitting outdoors, looking at his phone, wearing one of the HiTune S3 earbuds. The image emphasizes "Artificial Intelligence Environmental Noise Cancellation" with a sound wave graphic at the bottom, suggesting clear communication even in noisy environments.

The built-in AI ENC technology helps reduce background noise during calls, ensuring clearer voice transmission. This feature is active during phone calls.

# 7. MAINTENANCE

---

## 7.1 Cleaning

Regular cleaning helps maintain the performance and hygiene of your earbuds:

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Gently clean the charging contacts on both the earbuds and the case with a dry cotton swab if necessary.

## 7.2 Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

## 8. TROUBLESHOOTING

---

If you encounter issues with your HiTune S3 earbuds, please refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "HiTune S3" from your device's Bluetooth list and re-pair.
No sound from one earbud	Place both earbuds back into the charging case, close the lid, wait a few seconds, then take them out again. Check device's audio balance settings.
Low volume	Increase volume on both your device and the earbuds (if volume control is available via touch). Clean any debris from the earbud speakers.
Charging issues	Ensure the charging cable is securely connected. Try a different USB port or power adapter. Clean charging contacts.

If the problem persists, please contact customer support.

## 9. SPECIFICATIONS

---

Feature	Detail
Model Name	HiTune S3
Model Number	PC2-1005007145786996-001
Wireless Type	Bluetooth
