Operating and Play Features

The Sluban City Police Station set offers several interactive features for enhanced play:

- **Rotatable Station:** The main police station structure can rotate 180 degrees, allowing for different play configurations and access to interior areas.
- **Movable Doors and Windows:** Doors and windows throughout the station can be opened and closed.
- **Pullback Car:** The police patrol car is equipped with a pullback mechanism, allowing it to move forward when released.
- **Rotatable Helicopter Blades:** The helicopter's main rotor blades can be rotated.
- **Detachable Walls:** Certain wall sections are designed to be detachable, simulating escape scenes.

Maintenance

- **Cleaning:** To clean the building blocks, wipe them with a damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled set or individual pieces in a dry, cool place away from direct sunlight to prevent discoloration or damage.
- **Disassembly:** For long-term storage, carefully disassemble the set by reversing the assembly steps. Use the brick separator tool to prevent damage to pieces.

Troubleshooting

- **Missing Pieces:** If you find any missing pieces, please contact Sluban customer support with your model number and a description of the missing part.
- **Difficulty Connecting Pieces:** Ensure pieces are aligned correctly and apply gentle, even pressure. If a piece is consistently difficult to connect, check for any deformities.
- **Loose Connections:** If parts feel loose, ensure they are fully pressed together. Some connections may naturally be less rigid than others.
