Sluban M38-B1012

Sluban UH-60 Helicopter Black Hawk Model Building Set Instruction Manual

Model: M38-B1012

1. Introduction

This manual provides detailed instructions for assembling and understanding the features of your Sluban UH-60 Helicopter Black Hawk Model building set. This set allows you to construct a highly detailed replica of the iconic military helicopter, complete with four soldier minifigures and various accessory equipment. The model is designed to offer an engaging building experience and a realistic display piece.

2. Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for younger builders.
- **Age Recommendation:** Recommended for ages 6-12 years and adults.
- **Handling:** Handle pieces with care to prevent breakage. Avoid excessive force during assembly.

3. Package Contents

Your Sluban UH-60 Helicopter Black Hawk Model set includes:

- 692 building pieces.
- 4 soldier minifigures.
- Detailed, full-color instruction manual.
- Pieces are organized in eleven numbered sealed bags for easier assembly.

4. Assembly Instructions

Follow the step-by-step instructions provided in the included manual. The pieces are sorted into numbered bags, corresponding to specific assembly stages, to simplify the building process.

4.1. General Assembly Tips

- Open bags according to the numbered steps in the manual.
- Ensure all pieces are securely connected to maintain the model's stability.
- Refer to the images in the manual for visual guidance on piece placement.

4.2. Assembly Process Video Guide

For a visual walkthrough of the assembly process, please refer to the video below. This video demonstrates key steps and features during construction.

Video: Detailed assembly steps for the Sluban UH-60 Helicopter Black Hawk Model.

4.3. Key Assembly Details

Image: Close-up view of the model's detailed features, including the cockpit instrument panel, foldable rotors, and manual winch.

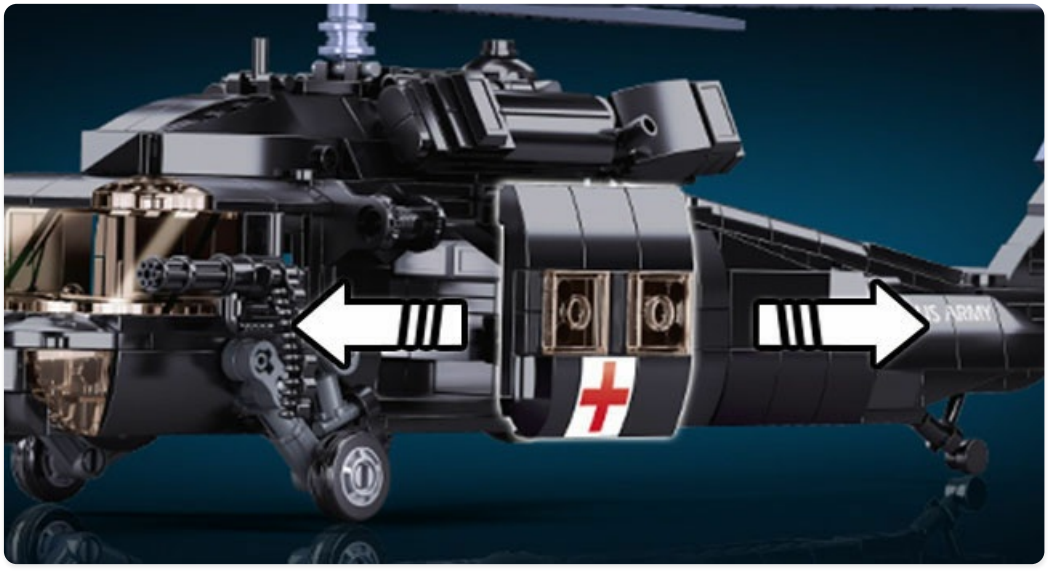

Image: Illustration of the detachable and movable cabin doors, allowing access for minifigures.

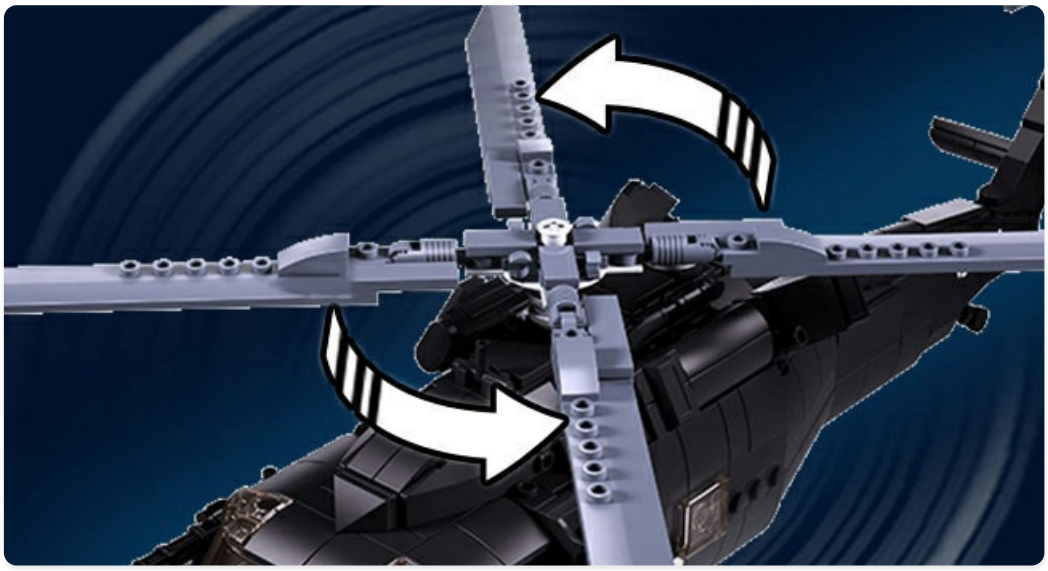

Image: The rotatable main rotor blades, designed for realistic movement.

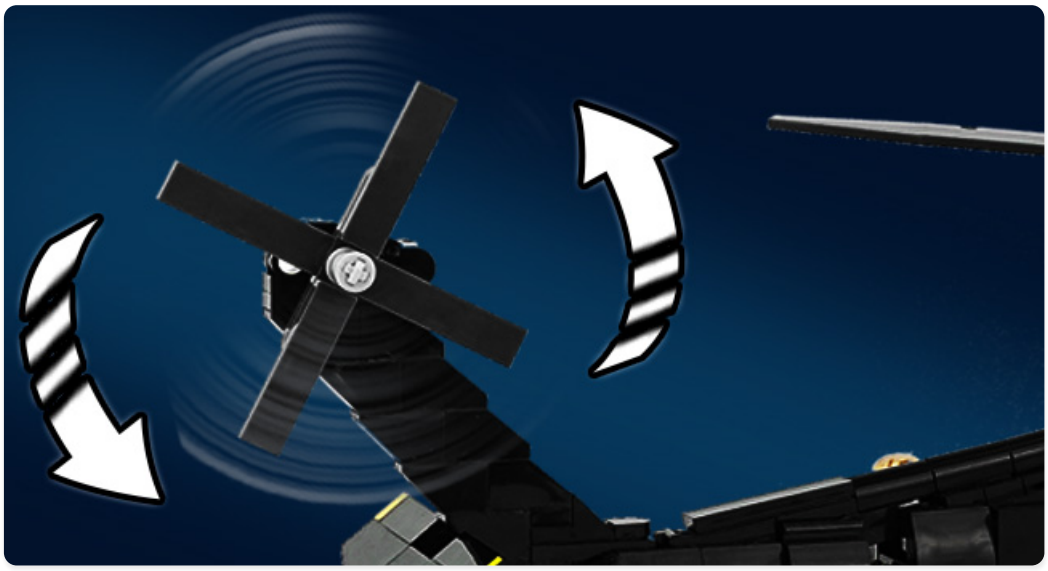

Image: The tail section, which can also rotate for dynamic display options.

5. Operating Features

Once assembled, your UH-60 Helicopter Black Hawk Model offers several interactive features:

- **Rotatable Main Rotors:** The main rotor blades can be manually rotated.
- **Foldable Rotors:** The rotor blades are designed to fold, enhancing display versatility.
- **Rotatable Tail Section:** The tail rotor and section can be adjusted.
- **Detachable Cabin Doors:** The cabin doors can be detached and reattached, allowing minifigures to be placed inside.
- **Manual Winch:** A functional manual winch is integrated into the left fuselage.
- **Detailed Cockpit:** The cockpit features detailed stickers for the instrument panel and sticks, adding realism.
- **Simulated Landing Gear:** The model includes simulated realistic wheel sliding movement.

5.1. Model Features Showcase Video

Observe the various movable and interactive features of the completed UH-60 Black Hawk Helicopter model in the video below.

Video: Demonstration of the movable parts and detailed aspects of the UH-60 Black Hawk Helicopter model.

6. Maintenance and Care

To ensure the longevity and appearance of your model:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For deeper cleaning, use a slightly damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic pieces.
- **Handling:** While the pieces fit securely, avoid dropping the model or applying excessive pressure to delicate parts.

7. Troubleshooting

If you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** Carefully check all packaging and bags. If pieces are genuinely missing, contact the manufacturer's customer support.
- **Pieces Not Fitting:** Ensure you are using the correct pieces for each step as indicated in the manual. Some pieces may require firm but gentle pressure to snap into place. If a piece consistently does not fit, verify its orientation and compare it with the manual's images.
- **Model Instability:** Re-examine connections in the affected area. Loose connections can lead to instability. Ensure all studs are fully engaged.

8. Specifications

Feature	Detail
Brand	Sluban
Model Name	UH-60 Helicopter Black Hawk Model
Model Number	M38-B1012
Number of Pieces	692
Material Type	Plastic
