12. **Previous Song / Next Song:** Buttons for track navigation.
13. **Pause/Playback:** Button to play or pause audio.

## 4. SETUP

---

### 4.1 Charging the Speaker

Before first use, fully charge the speaker. Connect the provided USB charging cable to the speaker's charging port and the other end to a 5V USB power adapter (not included) or a computer's USB port. The charging indicator will show the charging status and turn off when fully charged.

### 4.2 Powering On/Off

Rotate the **Volume On/Off** knob clockwise to power on the speaker. Rotate it counter-clockwise until it clicks to power off the speaker.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Bluetooth Connection

1. Power on the speaker. The speaker will automatically enter Bluetooth pairing mode, indicated by a flashing light or an audible prompt.
2. On your mobile phone, tablet, or computer, enable Bluetooth and search for available devices.
3. Select "Bewinner Speaker" (or similar name) from the list of devices to pair.
4. Once paired, the speaker will confirm with an audible prompt, and the indicator light will become solid.
5. You can now play audio from your device through the speaker. The connection distance is up to 10 meters.

### 5.2 AUX Sound Cable Playback

For wired audio connection:

## AUX Sound Cable Playback

Make music easier, connect the USB power cable and 3.5mm sound cable to your computer and enjoy listening to music.

*Image: The Bewinner Portable Bluetooth Speaker connected to a laptop using the 3.5mm AUX sound cable, demonstrating wired audio playback.*

1. Connect one end of the provided 3.5mm AUX sound cable to the speaker's **Sound Cable Interface**.
2. Connect the other end to the audio output jack of your computer, phone, or other audio device.
3. Press the **Mode Switching (M)** button on the speaker until it enters AUX mode.
4. Play audio from your connected device.

### 5.3 USB Disk and Small Memory Card Playback

The speaker supports playback from USB disks and small memory cards (up to 32GB) with MP3, WAV, and WMA formats.

## U disk small memory card playback

Support the upper limit of 32GB memory card or U disk, plug and play, you can switch up and down the song at will, support play pause

*Image: A close-up of the Bewinner Portable Bluetooth Speaker with a USB flash drive inserted into its USB port, illustrating USB disk playback capability.*

1. Insert a USB disk into the **USB Port** or a small memory card into the **Small Memory Card Slot**
2. The speaker will automatically detect the storage device and begin playing audio files. If not, press the **Mode Switching (M)** button to select the correct mode.
3. Use the **Previous Song**, **Next Song**, and **Pause/Playback** buttons to control music playback.

### 5.4 FM Radio Function

To use the built-in FM radio:

## FM radio function

### Enrich your spare time

Built in FM radio amplifier, improve radio sensitivity.  
More stable signal, you can know the world without going out

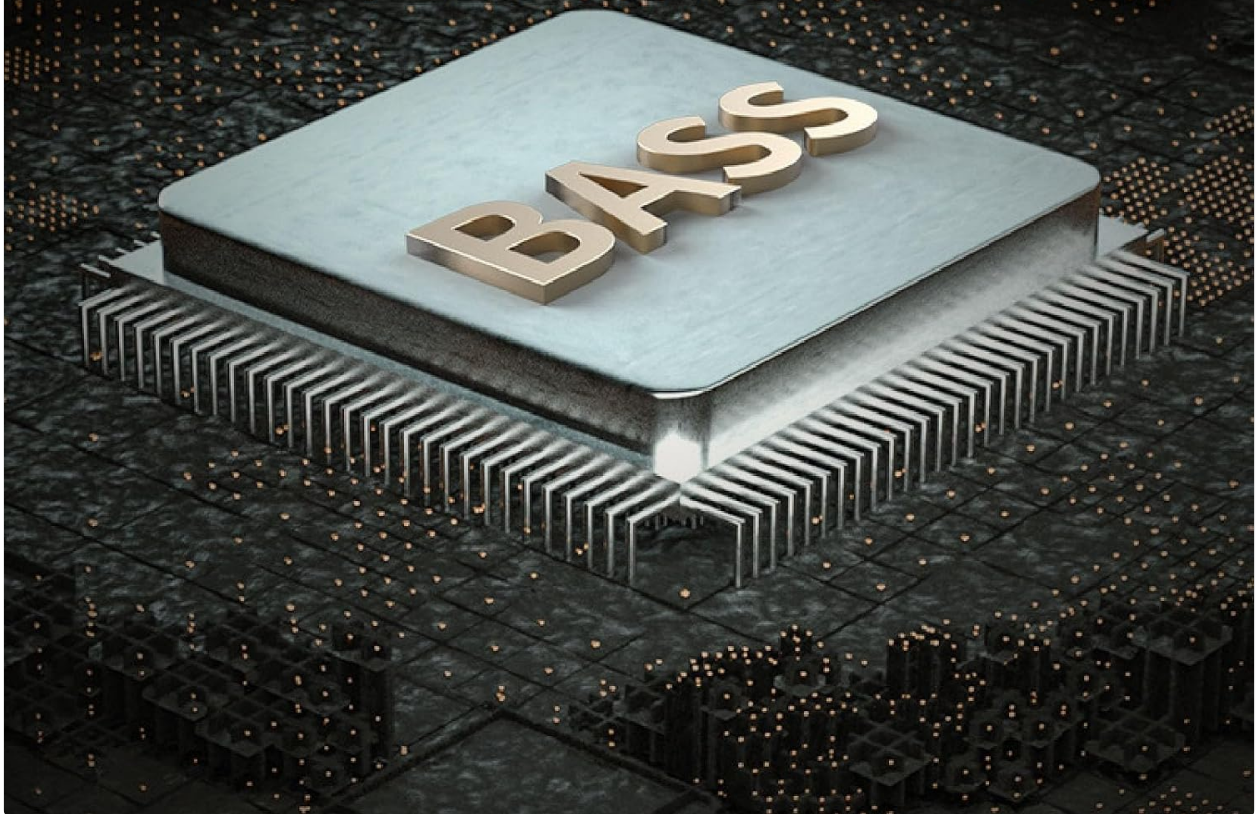

*Image: The Bewinner Portable Bluetooth Speaker with its telescopic antenna extended, highlighting its FM radio functionality and ability to receive stable signals.*

1. Extend the **Receiver Antenna** for better signal reception.
2. Press the **Mode Switching (M)** button until the speaker enters FM radio mode.
3. The speaker will automatically scan and save available FM stations.
4. Use the **Previous Song** and **Next Song** buttons to navigate between saved stations.

## 5.5 Sound Enhancement

# Intelligent Sound Processing Technology

Intelligent technology processing of the sound to enhance the clarity and layering of the sound quality, but also to enhance the power, so that the bass is more powerful, more dynamic sense of the sound more shocking

*Image: A stylized depiction of a microchip with the word 'BASS' prominently displayed, symbolizing the speaker's intelligent sound processing technology that enhances bass and overall audio quality.*

The speaker features intelligent sound processing technology to improve audio clarity, layering, and power. The dual speakers with independent bass guide holes contribute to a powerful and dynamic bass response.

## Shocking and powerful explosive power Strong bass

Dual speakers with independent bass guide holes for efficient sound quality.  
Stronger penetration of sound propagation, thick bass with magnetism  
Bright sound color and strong explosive power

Image: An exploded view of the Bewinner Portable Bluetooth Speaker, revealing its internal dual speakers and independent bass guide holes, illustrating the design for enhanced sound quality and powerful bass.

## 6. MAINTENANCE

- Keep the speaker away from water, moisture, and extreme temperatures.
- Clean the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Avoid dropping or subjecting the speaker to strong impacts.
- When not in use for extended periods, store the speaker in a cool, dry place and charge it periodically to maintain battery health.

## 7. TROUBLESHOOTING

- **No Power:** Ensure the speaker is charged. Check the power knob is turned on.
- **No Sound:** Check the volume level on both the speaker and the connected device. Ensure the correct input mode (Bluetooth, AUX, USB, Memory Card, FM) is selected.
- **Bluetooth Pairing Issues:** Make sure the speaker is in pairing mode. Disable and re-enable Bluetooth on your device. Move closer to the speaker to ensure it's within the 10-meter range.

- **Poor FM Reception:** Extend the receiver antenna fully. Try repositioning the speaker for better signal.
- **USB/Memory Card Not Playing:** Ensure the audio files are in supported formats (MP3, WAV, WMA). Check that the storage device is properly inserted and not corrupted.

## 8. SPECIFICATIONS

Feature	Specification
Model Number	Bewinner25s87k4n0e
Brand	Bewinner
Material	Synthetic Fiber Wood
Bluetooth Version	5.0
Battery Capacity	3000mAh Li Polymer (Built-in)
Charging Voltage	5V
Small Memory Card Support	Maximum 32GB (Excluded)
Music Media Support	MP3, WAV, WMA
Product Dimensions	13.78 x 10.63 x 10.24 inches
Item Weight	6.75 pounds
Connectivity Technology	Bluetooth, AUX, USB, Memory Card, FM Radio
Power Source	Battery Powered
Recommended Uses	Indoor/Outdoor

## 9. WARRANTY AND SUPPORT

This product comes with a standard manufacturer's warranty. Please refer to the warranty card included in your package for specific terms and conditions. For technical support, troubleshooting assistance, or warranty claims, please contact Bewinner customer service through the retailer where the product was purchased.
