5. MAINTENANCE AND CARE

Proper care will help maintain the appearance and extend the life of your Vente-unique Archibald sofa.

5.1. Fabric Care

- **Regular Cleaning:** Vacuum the sofa regularly using a soft brush attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, consult a professional upholstery cleaner or use a fabric-specific cleaning solution, testing it on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sun or use curtains/blinds.

5.2. Frame and Legs Care

- **Cleaning:** Wipe the wooden frame and metal legs with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners to ensure the sofa remains stable.

Here are some common issues and their potential solutions:
