Aiwen 5-Light Semi Flush Mount Ceiling Light Instruction Manual

Model: 9438698274945 | Brand: Aiwen

1. INTRODUCTION

The Aiwen 5-Light Semi Flush Mount Ceiling Light is designed to provide ambient lighting with a modern aesthetic. This fixture features five globe glass shades in smoky gray and cognac, mounted on a black metal frame. It is suitable for various indoor spaces such as bedrooms, living rooms, hallways, and kitchens. This product is ETL listed, ensuring compliance with safety standards.

This manual provides detailed instructions for the safe installation, operation, and maintenance of your new lighting fixture. Please read all instructions carefully before beginning installation and retain this manual for future reference.

2. PACKAGE CONTENTS

Carefully unpack your fixture and check that all parts are included. If any parts are missing or damaged, contact customer service immediately.

- Light Fixture Body (with integrated wiring)
- 5 x Glass Shades (Smoky Gray and Cognac)
- Mounting Hardware Kit (mounting bracket, screws, wire nuts)
- Instruction Manual

3. SAFETY INFORMATION

WARNING: RISK OF ELECTRIC SHOCK. Disconnect power at the circuit breaker or fuse box before installation or servicing.

- All electrical connections must be in accordance with local codes and ordinances, and the National Electric Code (NEC).
- Consult a qualified electrician if you are unfamiliar with proper electrical wiring installations.
- Use only G9 base bulbs. Do not exceed the maximum wattage of 40 watts per bulb.
- Ensure the fixture is securely mounted to a structurally sound part of the ceiling.
- Do not handle the fixture or bulbs with wet hands.
- This fixture is designed for indoor use only.

4. INSTALLATION INSTRUCTIONS

Before installation, ensure you have all necessary tools (screwdriver, wire strippers, electrical tape, safety glasses) and that the power is turned off at the main circuit breaker.

Step 1: Prepare for Installation

1. Turn off the electricity at the main fuse box or circuit breaker.
2. Carefully remove the old fixture (if applicable) and disconnect all wiring.
3. Unpack the new fixture and its components. Lay out all parts on a clean, flat surface.

Step 2: Mount the Fixture Bracket

1. Attach the mounting bracket to the junction box in the ceiling using the provided screws. Ensure the bracket is firmly secured.

Step 3: Wire the Fixture

1. Connect the fixture's ground wire (usually bare copper or green) to the house ground wire.
2. Connect the fixture's neutral wire (usually white) to the house neutral wire (white).
3. Connect the fixture's hot wire (usually black) to the house hot wire (black).
4. Secure all connections with wire nuts and wrap with electrical tape for added safety.

Step 4: Secure the Fixture Body

1. Carefully tuck all wires into the junction box.
2. Align the fixture's canopy with the mounting bracket and secure it with the provided screws or nuts.

Step 5: Install Bulbs and Glass Shades

1. Insert five G9 base bulbs (not included) into the sockets. Ensure bulbs are rated for G9 base and do not exceed 40 watts each.
2. Carefully attach each glass shade to its respective socket. Gently twist or secure them according to the design until they are snug.

Image 2: Product Dimensions. This diagram illustrates the overall dimensions of the Aiwen 5-Light Semi Flush Mount Ceiling Light, including its diameter (17.71 inches), height (13.38 inches), and canopy diameter (13.77 inches).

5. OPERATING INSTRUCTIONS

Once installed, restore power at the circuit breaker. The light fixture can be operated using a standard wall switch. If you wish to utilize dimming functionality, ensure you have installed dimmable G9 bulbs and connected the fixture to a compatible dimmer switch (both sold separately).

Built to Last, Certified Safe

Rigorously tested and ETL listed for your peace of mind.

Accommodates a wide range of G9 bulbs, allowing you to choose your preferred brightness, color temperature, and efficiency.

Image 3: Compatible G9 Bulbs. This image displays several types of G9 base bulbs, including LED, incandescent, and energy-saving options, all compatible with the Aiwen 5-Light Semi Flush Mount Ceiling Light.

6. MAINTENANCE

Cleaning

To clean the fixture, ensure the power is turned off. Use a soft, dry cloth to wipe down the metal frame and glass shades. Avoid using abrasive cleaners, solvents, or any cleaning products containing alcohol, as these can damage the finish or glass.

Bulb Replacement

Always turn off the power before replacing bulbs. Allow bulbs to cool completely before touching them. Gently remove the old G9 bulb and insert a new one, ensuring it is securely seated in the socket. Do not exceed the maximum wattage of 40 watts per bulb.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on	No power to fixture; Loose wiring; Faulty bulb; Circuit breaker tripped	Check power supply; Ensure all wire connections are secure; Replace bulb; Reset circuit breaker
Light flickers	Loose bulb; Incompatible dimmer switch/bulb; Loose wiring	Tighten bulb; Ensure dimmer and bulbs are compatible; Check wiring connections
Glass shades are loose	Shades not fully secured	Gently twist or secure shades until snug
